Travel Writing 1700-1830 Elizabeth A. Bohls, Ian Duncan, 2005-11-10 This anthology brings together the best writing from authors such as Daniel Defoe Celia Fiennes Mungo Park and many others to provide a comprehensive selection from this emerging literary genre An introduction by Elizabeth Bohls surveys the context of early modern travel writing [Travel Writing 1700-1830](#) Elizabeth A. Bohls, Ian Duncan, 2008-08-14 How is the mind agitated and bewildered at being thus as it were placed on the borders of a new world William Bartram Thus you see dear sister the manners of mankind do not differ so widely as our voyage writers would have us believe Mary Wortley Montagu With widely varied motives scientific curiosity commerce colonization diplomacy exploration and tourism British travellers fanned out to every corner of the world in the period the Critical Review labelled the Age of Peregrination The Empire already established in the Caribbean and North America was expanding in India and Africa and founding new outposts in the Pacific in the wake of Captain Cook s voyages In letters journals and books travellers wrote at first hand of exotic lands and beautiful scenery and encounters with strange peoples and dangerous wildlife They conducted philosophical and political debates in print about slavery and the French Revolution and their writing often affords unexpected insights into the writers themselves This anthology brings together the best writing from authors such as Daniel Defoe Celia Fiennes Mary Wollstonecraft Olaudah Equiano Mungo Park and many others to provide a comprehensive selection from this emerging literary genre ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Travel Narratives in Translation, 1750-1830** Alison Martin, Susan Pickford, 2013-05-07 This book examines how non fictional travel accounts were rewritten reshaped and reoriented in translation between 1750 and 1850 a period that saw a sudden surge in the genre s popularity It explores how these translations played a vital role in the transmission and circulation of knowledge about foreign peoples lands and customs in the Enlightenment and Romantic periods The collection makes an important contribution to travel writing studies by looking beyond metaphors of mobility and cultural transfer to focus specifically on what happens to travelogues in translation Chapters range from discussing essential differences between the original and translated text to relations between authors and translators from intra European narratives of Grand Tour travel to scientific voyages round the world and from established male travellers and translators to their historically less visible female counterparts Drawing on European travel writing in English French German Spanish and Portuguese the book charts how travelogues were selected for translation how they were reworked to acquire new aesthetic political or gendered identities and how they sometimes acquired a radically different character and content to meet the needs and expectations of an emergent international readership The contributors address aesthetic political and gendered

aspects of travel writing in translation drawing productively on other disciplines and research areas that encompass aesthetics the history of science literary geography and the history of the book **The Routledge Companion to Travel Writing** Carl Thompson, 2015-12-22 As many places around the world confront issues of globalization migration and postcoloniality travel writing has become a serious genre of study reflecting some of the greatest concerns of our time Encompassing forms as diverse as field journals investigative reports guidebooks memoirs comic sketches and lyrical reveries travel writing is now a crucial focus for discussion across many subjects within the humanities and social sciences An ideal starting point for beginners but also offering new perspectives for those familiar with the field The Routledge Companion to Travel Writing examines Key debates within the field including postcolonial studies gender sexuality and visual culture Historical and cultural contexts tracing the evolution of travel writing across time and over cultures Different styles modes and themes of travel writing from pilgrimage to tourism Imagined geographies and the relationship between travel writing and the social ideological and occasionally fictional constructs through which we view the different regions of the world Covering all of the major topics and debates this is an essential overview of the field which will also encourage new and exciting directions for study Contributors Simon Bainbridge Anthony Bale Shobhana Bhattacharji D nlaith Bird Elizabeth A Bohls Wendy Bracewell Kylie Cardell Daniel Carey Janice Cavell Simon Cooke Matthew Day Kate Douglas Justin D Edwards David Farley Charles Forsdick Corinne Fowler Laura E Franey Rune Graulund Justine Greenwood James M Hargett Jennifer Hayward Eva Johanna Holmberg Graham Huggan William Hutton Robin Jarvis Tabish Khair Zo Kinsley Barbara Korte Julia Kuehn Scott Laderman Claire Lindsay Churnjeet Mahn Nabil Matar Steve Mentz Laura Nenzi Aed n N Loingsigh Manfred Pfister Susan L Roberson Paul Smethurst Carl Thompson C W Thompson Margaret Topping Richard White Gregory Woods

The Oxford Handbook of British Romantic Prose Robert Morrison, 2024 The Oxford Handbook of British Romantic Prose is a full length essay collection devoted entirely to British Romantic nonfiction prose Organized into eight parts each containing between five and nine chapters arranged alphabetically the Handbook weaves together familiar and unfamiliar texts events and authors and invites readers to draw comparisons reimagine connections and disconnections and confront frequently stark contradictions within British Romantic nonfiction prose but also in its relationship to British Romanticism more generally and to the literary practices and cultural contexts of other periods and countries The Handbook builds on previous scholarship in the field considers emerging trends and evolving methodologies and suggests future areas of study Throughout the emphasis is on lucid expression rather than gnomic declaration and on chapters that offer not a dutiful survey but evaluative assessments that keep an eye on the bigger picture yet also dwell meaningfully on specific paradoxes and the most telling examples Taken as a whole the volume demonstrates the energy originality and diversity at the crux of British Romantic nonfiction prose It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are

steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers Writing Abroad Peter Chilson, Joanne B. Mulcahy, 2017-10-13 Tell me all about your trip It s a request that follows travelers as they head out into the world and one of the first things they hear when they return When we leave our homes to explore the wider world we feel compelled to capture the experiences and bring the story home But for those who don t think of themselves as writers putting experiences into words can be more stressful than inspirational Writing Abroad is meant for travelers of all backgrounds and writing levels a student embarking on overseas study a retiree realizing a dream of seeing China a Peace Corps worker in Kenya All can benefit from documenting their adventures whether on paper or online Through practical advice and adaptable exercises this guide will help travelers hone their observational skills conduct research and interviews choose an appropriate literary form and incorporate photos and videos into their writing Writing about travel is more than just safeguarding memories it can transform experiences and tease out new realizations With Writing Abroad travelers will be able to deepen their understanding of other cultures and write about that new awareness in clear and vivid prose **Travellers to the Middle East from Burckhardt to Thesiger** Geoffrey P. Nash, 2011-07 An invaluable compendium of writing on the Middle East including extracts from canonical and less well known travellers works Romanticism Carmen Casaliggi, Porscha Fermanis, 2016-05-12 The Romantic period coincided with revolutionary transformations of traditional political and human rights discourses as well as witnessing rapid advances in technology and a primitivist return to nature As a broad global movement Romanticism strongly impacted on the literature and arts of the late eighteenth and early nineteenth centuries in ways that are still being debated and negotiated today Examining the poetry fiction non fiction drama and the arts of the period this book considers Important propositions and landmark ideas in the Romantic period Key debates and critical approaches to Romantic studies New and revisionary approaches to Romantic literature and art The ways in which Romantic writing interacts with broader trends in history politics and aesthetics European and Global Romanticism The legacies of Romanticism in the twentieth and twenty first centuries Containing useful reader friendly features such as explanatory case studies chapter summaries and suggestions for further reading this clear and engaging book is an invaluable resource for anyone who intends to study and research the complexity and diversity of the Romantic period as well as the historical conditions which produced it **Explorations in the Icy North** Nanna Katrine Lüders Kaalund, 2021-05-11 Science in the Arctic changed dramatically over the course of the nineteenth century when early scattered attempts in the region to gather knowledge about all aspects of the natural world transitioned to a more unified Arctic science under the First International Polar Year in 1882 The IPY brought together researchers from multiple countries with the aim of undertaking systematic and coordinated experiments and observations in the Arctic and Antarctic Harsh conditions intense isolation and acute danger inevitably impacted the making and communicating of scientific knowledge At the same time changes in ideas about what it meant to be an authoritative

observer of natural phenomena were linked to tensions in imperial ambitions national identities and international collaborations of the IPY Through a focused study of travel narratives in the British Danish Canadian and American contexts Nanna Katrine Lders Kaalund uncovers not only the transnational nature of Arctic exploration but also how the publication and reception of literature about it shaped an extreme environment its explorers and their scientific practices She reveals how far beyond the metropole in the vast area we understand today as the North American and Greenlandic Arctic explorations and the narratives that followed ultimately influenced the production of field science in the nineteenth century

Maritime Animals Kaori Nagai, 2023-08-31 This volume explores nonhuman animals involvement with human maritime activities in the age of sail as well as the myriad multispecies connections formed across different geographical locations knitted together by the long history of global ship movement Far from treating the ship as a confined space defined by the sea *Maritime Animals* considers the ship's connections to broader contexts and networks and covers a variety of locations from the Canadian Arctic to the Pacific Islands Each chapter focuses on the oceanic experiences of a particular species from ship vermin animals transported onboard as food and animal specimens for scientific study to livestock companion and working animals deep sea animals that find refuge in shipwrecks and terrestrial animals that hunker down on flotsam and jetsam Drawing on recent scholarship in animal studies maritime studies environmental humanities and a wide range of other perspectives and storytelling approaches *Maritime Animals* challenges an anthropocentric understanding of maritime history Instead this volume highlights the ways in which species through their interaction with the oceans tell stories and make histories in significant and often surprising ways In addition to the editor the contributors to this volume include Anna Boswell Nancy Cushing Lea Edgar David Haworth Donna Landry Derek Lee Nelson Jimmy Packham Laurence Publicover Killian Quigley Lynette Russell Adam Sundberg and Thom van Dooren *The Male Empire Under the Female Gaze* Susmita Mittapalli, Rajeshwar Mittapalli, **Evolutionary Writings** Charles Darwin, 2008-11-13 Man still bears in his bodily frame the indelible stamp of his lowly origin On topics ranging from intelligent design and climate change to the politics of gender and race the evolutionary writings of Charles Darwin occupy a pivotal position in contemporary public debate This volume brings together the key chapters of his most important and accessible books including the *Journal of Researches on the Beagle voyage 1845* the *Origin of Species 1871* and the *Descent of Man* along with the full text of his delightful autobiography They are accompanied by generous selections of responses from Darwin's nineteenth century readers from across the world More than anything they give a keen sense of the controversial nature of Darwin's ideas and his position within Victorian debates about man's place in nature The wide ranging introduction by James A Secord Director of the Darwin Correspondence Project explores the global impact and origins of Darwin's work and the reasons for its unparalleled significance today ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most
