Minister's Prayer Book Mary Jane Haemig, Chris Halverson, Robb Harrell, 2020-02-04 Since it first appeared in print in 1959 John Doberstein's Minister's Prayer Book has been a devotional classic among Lutheran pastors Written by a pastor for other pastors Doberstein's work recognizes the need for the pastor to drink from a well of rich resources to sustain the spiritual vitality needed to serve faithfully in parish ministry The fact that this manual of devotion is still available more than fifty years later is a testament to the timelessness of the collection Doberstein gathered as well as to his own pastoral acumen Other than a minor revision made in 1986 by Philip Pfatteicher to update the prayers there has been no attempt to bring fresh material to Doberstein's work no attempt to update it for a new generation Until now This revised edition recognizes the increasingly diverse face of clergy New resources prayers and readings written by women people of color and Christians from around the world give the collection a broader appeal The beauty of the Minister's Prayer Book is its intentional re centering of the pastor's calling on word and sacrament on pastoral care and on being fully present and engaged in the lives of God's people

Christendom And does God still do this today The answer is yes They Need Not Go Away is a practical book identifying and teaching modern day Millennials and Gen Zers about Lutheran spirituality It offers prayer practices designed and applied by Martin Luther the Reformer for modern families individuals adults and teenagers These spiritual practices are also applied to the modern Christian To support these practices and the Lutheran contribution to Christian spirituality this volume traces the influences of Martin Luther's piety from pre Reformation influencers to Dr Luther as he navigated the tremendous social cultural and ecclesiastical pressures of his time His spirituality is then traced through the next generations of Orthodoxy and Pietism identifying the shifts away from the affective aspects of Lutheran spirituality and elevation of the academic and more cognitive characteristics received in the twentieth century The goal is to recapture the wholistic spirituality including the cognitive affective and experiential features These are still useful in the hands of the Lord for today's believers **National**
