The Black Social Economy in the Americas Caroline Shenaz Hossein, 2017-09-18 This pioneering book explores the meaning of the term Black social economy a self help sector that remains autonomous from the state and business sectors With the Western Hemisphere s ignoble history of enslavement and violence towards African peoples and the strong anti black racism that still pervades society the African diaspora in the Americas has turned to alternative practices of socio economic organization Conscientious and collective organizing is thus a means of creating meaningful livelihoods In this volume fourteen scholars explore the concept of the Black social economy bringing together innovative research on the lived experience of Afro descendants in business and society in Argentina Brazil Canada Colombia Guyana Haiti Jamaica and the United States The case studies in this book feature horrific legacies of enslavement colonization and racism and they recount the myriad ways that persons of African heritage have built humane alternatives to the dominant market economy that excludes them Together they shed necessary light on the ways in which the Black race has been overlooked in the social economy literature

A Review of Social Economy Research in Canada Laurie Mook, Jack Quarter, 2019-02-11 Canada is a federal parliamentary democracy officially bilingual English and French and one of the most multicultural countries in the world Indeed more than one fifth of Canada s population consists of first generation immigrants

and a similar percentage classify themselves as visible minorities A confederation of ten provinces and three territories Canada has a current population of over 36 million people who live across an expansive geographic area that constitutes the second largest country in the world In this multifaceted context the social economy of Canada plays an important role in bridging the public and private sectors to form a strong social infrastructure Quarter Mook and cooperatives both non financial and financial There are distinct traditions of the social economy in anglophone and francophone parts of Canada There are also traditions specific to particular populations such as the Black social economy Hossein 2013 and the Indigenous social economy Restoule Gruner Sengupta Vieta Wuttunee 2010 In this review we look at the anglophone research on the social economy noting that there are also French language research institutions and educational programs focusing on the social economy however a review of these is beyond our scope After providing an overview of the concept of social economy in Canada we summarize research on its scope and size in the Canadian context Next we focus on voluntaristic behaviors of giving volunteering formal and informal and participating Our focus shifts to describing the infrastructure supporting research of the sector including key academic and umbrella associations and networks as well as formal and informal education programs Finally we describe key funders of social economy research including government and foundations

Elgar Encyclopedia of Nonprofit Management, Leadership and Governance Kevin P. Kearns,Wenjiun Wang,2023-12-11 The Elgar Encyclopedia of Nonprofit Management Leadership and Governance is the ultimate reference guide for those interested in the rapidly growing nonprofit sector Each insightful entry includes a definition of the concept practical applications in nonprofit organizations and discussion of current issues and future directions Reimagining Nonprofits Eva Witesman,Curtis Child,2024-02-01 What is the nonprofit sector and why does it exist Collecting the writing of some of the most creative minds in the field of nonprofit studies this book challenges our traditional understanding of the role and purpose of the nonprofit sector It reflects on the ways in which new cultural and economic shifts bring existing

assumptions into question and offers new conceptualizations of the nonprofit sector that will inform provoke and inspire Nonprofit organization and activity is an enormously important part of social cultural and economic life around the world but our conceptualization of their place in modern society is far from complete Reimagining Nonprofits provides fresh insights that are necessary for understanding nonprofit organizations and sectors in the 21st century Social Economy Clark Everling, 2003-08-16 Contrary to much Marxist thought Everling does not view socialism as an antithesis to capitalism and argues that socialism is among other things an objective development of capitalism As capitalism develops it creates the premises for social development which are also the bases for a socialist and democratic construction of society Drawing on economics urban geography political theory and Marxism Social Economy Examines the evolution of capitalism from its early industrial to its present urban and global forms Shows how Marx understood the economy as a unity of production distribution exchange and consumption engaged in social reproduction Explores the contradictory evolution of US corporations and urban development from 1945 to the present Argues that urban space involves requirements for social and individual reproduction which extend well beyond limits inherent in transnational corporate private appropriation Using his unique arguments Everling makes the case that economic expansion can now best be secured by forms of development that take us beyond the limits of capitalism and point towards a democratic and socialist society
