University-Industry Collaboration Strategies in the Digital Era Günay, Durmuş, Asunakutlu, Tuncer, Yildiz, Orkun, 2021-01-29 Competitive strategies and higher education industry collaboration policies are playing a vital role in fostering the reputation and international rankings of higher education institutions. The positive impact of these policies may best be observed in the economic and social outputs of many countries such as the USA, Singapore, South Korea, and European Union. EU countries such as Belgium, Germany, France, and the Netherlands. However, the number of academic publications that specifically concentrate on the impact of these policies on higher education institutions and authorities remains relatively limited. *University Industry Collaboration Strategies in the Digital Era* is an essential research publication that provides comprehensive research on competitive strategies for higher education institutions that will allow them to forge beneficial partnerships with industries that will have a significant impact on their success. Highlighting a wide range of topics such as human resource management, network planning, and institutional structure, this book is ideal for administrators, education professionals, academicians, researchers, policymakers, and students. **ICIE 2014 Proceedings of the 2nd International Conference on Innovation and Entrepreneurship** Academic Conferences and Publishing Limited, 2014-06-02

University-industry Collaboration and the Success Mechanism of Collaboration Case Studies from Japan Nian Zhiying, 2015 **Proceedings of 2014 1st International Conference on Industrial Economics and Industrial Security** Menggang Li, Qiusheng Zhang, Runtong Zhang, Xianliang Shi, 2015-03-03 This book collects 88 papers on the latest fundamental advances in the state of the art and practice of industrial economics and industrial security theories and practices, providing insights to address problems concerning the national economy, social development, and economic security. The book is divided into four main sections: Industrial Economics, Industrial Security, Empirical Studies, and others, all of which cover different aspects such as industrial organization, industrial structure, industrial development, industrial distribution, and industrial policies, as well as theories on industrial security in globalization. It also covers four special sessions: Cultural Industry, National Economy, Finance, Groups, and International Economics and Trade. The papers in each section describe state-of-the-art research works that are often oriented towards real-world applications and highlight the benefits of related methods and techniques for developing the emerging field of Industrial Economics and Industrial Security. *University-Industry Collaboration and the Success Mechanism of Collaboration* Nian
