Real Estate Manual for Brokers, Owners, and Operators Harry Hall,Charles Gilbert Edwards,Argyle R. Parsons,A. C. MacNulty,1925

Air Transportation Operations Inspector's Handbook United States. Federal Aviation Administration,1991

Manual de pago por desempeño György Bèla Fritsche,Robert Soeters,Bruno Meessen,2015-07-21

Los enfoques de Pago por Desempeño o PPD se han expandido con rapidez en los países de ingresos bajos y medios en todo el mundo. El número de países ha crecido de 3 en 2006 a 32 en 2013. Los esquemas de PPD están floreciendo y crean una demanda considerable de asistencia técnica a fin de ejecutar estas reformas sanitarias en una forma racional y responsable. Tres pioneros internacionales del PPD se han unido para dar una respuesta a esta demanda internacional. Ellos son Gyrgy Fritsche MD MSc Banco Mundial Washington, Robert Soeters MD PhD SINA Health La Haya y Bruno Meessen MA PhD Instituto de Medicina Tropical Amberes. Su trabajo vuelca sus 40 años de experiencia total en el diseño e implementación de esquemas de PPD en un manual de PPD de vanguardia dirigido a implementadores y hacedores de políticas. Se unió al equipo Godelieve van Heteren MD Erasmus University Rotterdam Global Health Initiative RGHl quien realizó la coedición a fin de darle al manual consistencia en contenido y formato. Cedric Ndizeye MD MPH MSH Ruanda redactó las partes principales del capítulo sobre desarrollo de competencias y Caryn Bredenkamp PhD Banco Mundial Washington contribuyó con el capítulo 5 sobre equidad. Actualmente existe poco conocimiento entre muchos de los que ejecutan reformas sanitarias sobre cómo implementar proyectos piloto de pago por desempeño y cómo ampliarlos a nivel nacional en forma inteligente. En un contexto de gran demanda de un diseño sólido y experiencia en la implementación y dada la rápida expansión de los programas de Financiación Basada en Resultados existe una necesidad urgente de desarrollar competencias para el diseño e implementación de programas de FBR. Hasta el momento ha habido poco interés en combinar las enseñanzas de esas experiencias en un solo volumen y más aún en un formato que sirva como guía a los implementadores. Este manual es una respuesta a las preguntas más urgentes sobre programas de FBR del lado de la oferta del cual el PPD es parte. Este manual estará disponible en una versión en línea que será actualizada en forma regular y una versión impresa en 3 idiomas: inglés, francés y español.
