Reflections II George Manus,2018-01-17 Reflections II has been given its name because as the author George Manus himself says My reflections have developed into stories In the book the author George Manus reflects over this and that as well as the somewhat unexpected No less than 66 reflections have seen the light of day from those dealing with moral topics such as AMBITIONS and DEPENDENCE to the enjoyable OSCARS CONFIRMATION SPEECH Some of the reflections are self experienced whereas in others George Manus focuses on general topics The short stories are presented alphabetically and can thus be read individually

217 Reflections George Manus,2022-04-04 Throughout his life

George Manus has reflected on big and small which has already resulted in 19 books He claims that while things are happening we only get to think in the present It is only afterwards that we have time and opportunity to think analogize and consider The importance the author attaches to the idea of reflection is in other words afterthoughts In this his twentieth book George Manus has picked out thoughts from Reflections I II and III as well as Thoughts Thoughts were written one every day on the first 51 days of 2001 while the Reflections spread as far back as 1989 *My Life Values II* George Manus,2024-09-17 In this book the second of two author George Manus has compromised with his basic philosophy about experience which briefly states that You must be master of your own experiences as that is the only way you can progress Think about the experiences you have benefited from in life especially where you believe they have been important for your own development whatever your age Should it be possible to be master of ones own experiences one must as a starting point acquire a solid platform to stand on understood as having a clear perception of lifes most important values and a balanced basis for meeting lifes challenges For this it goes without saying that one should listen to the experience of others The author sees himself as an autodidact but believes that he has acquired a reasonably solid platform to stand on Honest self awareness gives you a solid platform to stand on in life and is a gift not given to all many must work towards that goal themselves like I have done and this is where these books as an example shows you how I have exposed my honest self awareness and thereby got a more solid platform from where to stand up to lifes challenges Inspiration to gather the content and publish this book he says comes from readers of his previous books and two of them in particular 217 Reflections and Food for Thought 1001 Short reflections In this book he has chosen 21 Reflections about Life Values from the first mentioned book and 94 Food for Thought from the second A book for all ages about My Life Values and Attitudes without reference to religion and politics CLC 2018: Carpathian Logistics Congress ,
