The Ministry of Church Ushers – Complete Guide

Last Updated: November 8, 2020 by EvangelismCoach (<https://www.evangelismcoach.org/author/ecoach/>)

The ministry of church ushers plays a vital role in the hospitality and welcome ministry (<https://www.evangelismcoach.org/fix-your-church-hospitality/>) of the local church.

Together with church greeters (<https://www.evangelismcoach.org/improve-your-greeter-ministry/>), parking lot volunteers, welcome center volunteers, and hospitality hosts, church ushers help the church member, visitor (guest) experience a wonderful worship service.

Church ushers are a significant part of church hospitality system (<https://store.evangelismcoach.org/shop/church-hospitality-review-mp3/>) and fulfill specific duties to accomplish that role.

I've made an attempt at a ministry guide for church ushers.

Ushers Guide:

Guide for Ushers and Greeters Karie Ferrell, 2008 Guide for Ushers, Greeters, and Ministers of Hospitality, Second Edition Katie Ferrell, Corinna Laughlin, Paul Turner, Thomas P. Welch, 2021-07-10

Ushers and greeters ministers of hospitality are vital to parishes so they need strong formation to comfortably and graciously respond to the needs of everyone who comes through the doors of your church. Solid training helps them become models of hospitality for the whole parish. This guide helps you train new and returning ministers of hospitality by providing knowledge, skills, and attitudes that are practical, theologically, and liturgically informed, and spiritually inspiring. With its new title design and added content, this revised edition is more helpful than ever. To Fr Paul Turner's foundational chapters on the meaning and history of the ministry and on the ministry's spiritual dimensions, a brief chapter on the liturgy by liturgist Corinna Laughlin has been added. To Karie Ferrell's practical and wise advice on the many detailed duties of the ministry, psychiatrist and spiritual director Thomas Welch has contributed some additional perspectives. Updates to frequently asked questions, the annotated list of recommended resources, and the glossary have added yet more value to the book, and questions for reflection and discussion continue to accompany each chapter. Let this guide help you open wide the doors of your church so that it can be as Pope Francis has called for: a spiritual field hospital for our needy world. This guide includes Theological and historical reflections on the liturgy and the ministry. Practical skill building and advice for serving in this role. Ways to deepen your spirituality and call to discipleship. Answers to frequently asked questions. Recommended resources. A glossary. Questions for discussion and reflection.

A Practical Guide for Church Ushers & Greeters Joseph Brewer, 2021-01-21

What is an usher? He is the one who can do what you go to your pastor during the services at his church. He sets aside his personal desires to serve his pastor, the congregation, and the guests in attendance. He is the smile and extended hand of welcome as you enter the doors to his church. He is the guy ready with the answers to your questions or he knows where to get the answers. The professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building. He is the watchman at the gate, keeping an eye out for dangers. He has a plan for when unforeseen circumstances arise. He is prepared to act decisively when called upon. He is the man who will show you to your seat and is entrusted to take up the offering. The decision to write this booklet came from the careful study of the somewhat antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church. I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers, but my search came up lacking. While these handouts and books were great literature, they did not quite offer the depth that I was looking to give to my ushers. Through this search, I found some to be more ritual than helpful, while others were very heavy on the theology of ushering and church boards but less practical. I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher. I wanted to find a book that speaks more directly to the reader. Since my search result came up empty, I

decided to write one myself I approach this subject from over twenty years of ushering experience and thirteen years as a head usher I also draw from my twenty five years of working in industrial construction as what is called a Millwright and for a time as an Ironworker During most of my time working in construction I was the foreman on the job Years later I would take from these experiences and apply them in my role being the head usher of my church After more than twenty years of being involved with various ministries in my church all the while being a greeter and an usher I can tell you that in my opinion and experience being a greeter or being an usher is one of the most important ministries you can take part in at your church Being an usher and or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way It can also be frustrating heartbreaking and at times very intense I have been the head usher in my church since 2007 I m in charge of ushering greeting and security I get to see many aspects of the ministry from various perspectives and I will touch on all three areas in this book My life verse is Psalms 84 10 It reminds me every day of where I want to be in my life and why I do what I do For a day in Thy courts is better than a thousand I had rather be a doorkeeper in the house of my God than to dwell in the tents of wickedness Psalms 84 10 KJV **Guidelines for Church Ushers** Lindsay Terry, PH.D.,2000-08

The Usher's Manual Leslie Parrott,1970 From the perspective of a veteran pastor and communicator Dr Leslie Parrott describes the function of the usher and provides practical and Scriptural guidelines on how this vital role in the church may be carried out with grace and efficiency *The Complete Idiot's Guide to Amateur Theatricals* John Kenrick,2006-09-05 The one and only book on successfully staging amateur productions In this book drama teachers and community directors are given everything they need to know about picking the right show licensing casting and budgeting organizing a schedule costumes makeup staging lighting and music tickets fundraising programs cast parties and more Illustrated with help plans and photos from actual productions Perfect for nonprofit organizations fundraising theater events and community theater groups Complete with an extensive resource section Illustrated with help plans and great photos from actual productions

Usher's Manual Alfred DeWayne Hill, Sr.,2011-01-31 This is an usher s manual to be used in the Negro churches of the United States Dr Hill demonstrates how contemporary ushering in the Negro church is preceded by the Biblical Porter of the Old Testament and that this work was performed by a Levitical Priest Thus the work of the usher in the church is akin to allowing entrance into the Holy Place wherein dwells the presence of God **A Guide for the Church Usher** James L. Blevins,Thomas L. Clark,1984 These pages are written to you a church usher as though we were talking face to face The ideas in this book have been shared with me through the years by ushers like you Some ideas will be familiar a few will be new but all will need to be translated into the way you do things in your church *Guide for Celebrating® Holy Week and the Triduum* Corinna Laughlin,Kristopher Seaman,Stephen Palanca,2017-11-21 This book is part of the Preparing Parish Worship series *Church Ushers Manual - A Handbook for Church Ushers and All Others Who Would Promote the Spirit of Fellowship in the House of God* Williso O.
