Reflections from the Recliner Fifth Floor Freddy, 2010-09 Beeeeeeeeeeeep This is a jest This is only a jest Rhymes from the Recliner A Collection of Couch Potato Poetry is a light hearted devotional to classic television programming It s tinted with humor irony and affection and intended to put a horizontal hold on lovers of prose and tv shows It is easily enjoyed by most everyone though poetry readers and music listeners may be the most enthusiastic for they will also notice that many of the poems are patterned after well known pieces of poetry and popular songs It is for people who have grown tired of others tuning in and dropping out when they quote the same old stuffy bits of philosophy about life and love It is for those who want to arm themselves with a clever verse about The Love Boat or Name that Tune and turn themselves into a regular boob tube troubadour It can be enjoyed with a latte at one s favorite coffee shop or with a beer and a bag of chips on an old sofa munching and giggling to Hee Haw as interpreted thru Shakespeare There really is something good on television this book
