Discworld and the Disciplines Anne Hiebert Alton, William C. Spruiell, Donald E. Palumbo, 2014-05-02 This collection of new essays applies a wide range of critical frameworks to the analysis of prolific fantasy author Terry Pratchett's Discworld books. Essays focus on topics such as Pratchett's treatment of noise and silence and their political implications, art as an anodyne for racial conflict, humor and cognitive debugging, visual semiotics, linguistic stylistics, and readers' perspectives of word choice and Derrida and the monstrous Regiment of Women. The volume also includes an annotated bibliography of critical sources. The essays provide fresh perspectives on Pratchett's work, which has stealthily redefined both fantasy and humor for modern audiences.

Reaper Man Terry Pratchett, 2009-10-13 Engaging surreal satire, nothing short of magical. Chicago Tribune. The eleventh installment in the Discworld fantasy series from New York Times bestselling author Terry Pratchett, in which Death has been fired by the Auditors of Reality and Ankh-Morpork's undead and underemployed set off to find him. They say there are only two things you can count on. But that was before Death started pondering the existential. Of course the last thing anyone needs is a squeamish Grim Reaper, and soon his Discworld bosses have sent him off with best wishes and a well-earned gold watch. Now Death is having the time of his life finding greener pastures where he can put his scythe to a whole new use. But like every cutback in an important public service, Death's demise soon leads to chaos and unrest, literally for those whose time was supposed to be up like Windle Poons. The oldest geezer in the entire faculty of Unseen University, home of magic wizardry and big dinners, Windle was looking forward to a wonderful afterlife, not this boring been-there-done-that routine. To get the fresh start he deserves, Windle and the rest of Ankh-Morpork's undead and underemployed set off to find Death and save the world for the living and everybody else, of course. The Discworld novels can be read in any order, but *Reaper Man* is the second book in the Death series. The Death collection includes *Mort*, *Reaper Man*, *Soul Music*, *Hogfather*, *Thief of Time*.
