beginning with a BURNING DESIRE to become a business associate of the great Edison Somewhere as you read the secret to which I refer will jump from the page and stand boldly before you IF YOU ARE READY FOR IT When it appears you will recognize it Whether you receive the sign in the first or the last chapter stop for a moment when it presents itself and turn down a glass for that occasion will mark the most important turning point of your life Remember too as you go through the book that it deals with facts and not with fiction its purpose being to convey a great universal truth through which all who are READY may learn not only WHAT TO DO BUT ALSO HOW TO DO IT and receive as well THE NEEDED STIMULUS TO MAKE A START IN EVERY chapter of this book mention has been made of the money making secret which has made fortunes for more than five hundred exceedingly wealthy men whom I have carefully analyzed over a long period of years The secret was brought to my attention by Andrew Carnegie more than a quarter of a century ago The canny lovable old Scotsman carelessly tossed it into my mind when I was but a boy Then he sat back in his chair with a merry twinkle in his eyes and watched carefully to see if I had brains enough to understand the full significance of what he had said to me When he saw that I had grasped the idea he asked if I would be willing to spend twenty years or more preparing myself to take it to the world to men and women who without the secret might go through life as failures I said I would and with Mr Carnegie's cooperation I have kept my promise This book contains the secret after having been put to a practical test by thousands of people in almost every walk of life It was Mr Carnegie's idea that the magic formula which gave him a stupendous fortune ought to be placed within reach of people who do not have time to investigate how men make money and it was his hope that I might test and demonstrate the soundness of the formula through the experience of men and women in every calling *Think and Grow Rich* Napoleon Hill, 2016-01-07 The Most Important Book in the History of Wealth Forget the old concept of struggling for retirement Think and Grow Rich is the blueprint of some of the most successful people in America This step by step guide to building wealth Inspired by Andrew Carnegie Changed the Lives of Millions Define and Build the Life of your Dreams The Original Secret of Attracting Money Business Secrets of Andrew Carnegie Thomas Edison Henry Ford and More Think and Grow Rich is the number one quoted book by successful people in the quest for Wealth and Happiness Find out why this book is part of the Millionaire's Essential Library Hill discovered that Dale Carnegie believed that the process of success could be outlined in a simple formula that anyone would be able to understand and achieve Impressed with Hill Carnegie asked him if he was up to the task of putting together this information to interview or analyze over 500 successful men and women many of them millionaires in order to discover and publish this formula for success And Think and Grow Rich is the results of this work **Stand Up for Your Life** Cheryl Richardson, 2003-05-05 Richardson challenges readers to begin an interactive training program that will transform internal obstacles such as self doubt conflict phobia and a fear of what others think into a new foundation of courage confidence and self esteem *Management for Cannibals*, **Think and Grow Rich: Mini Complete Edition** Napoleon Hill, 2013-08-17 The Pocket Edition of the Complete Original 1 All Time Success Bestseller
