Thinking Politically A Liberal In The Age Of Ideology

Daniel Mahoney

Thinking Politically A Liberal In The Age Of Ideology:

Thinking Politically Raymond Aron, 2020-03-12 *Thinking Politically* brings together a series of remarkable interviews with Raymond Aron that form a political history of our time. Ranging over an entire lifetime from his youthful experience with the rise of Nazi totalitarianism in Berlin to the denouement of the cold war, Aron meditates on the threats to liberty and reason in the bloody twentieth century. Originally published as *The Committed Observer*, this volume provides one of the fullest accounts available of the dramatic events of the short century which began with the pistol shot in Sarajevo in 1914 and ended with the collapse of the ideological monsters whose deadly nature Aron had ruthlessly exposed for a half century. In addition to the interviews published in the original edition, *Thinking Politically* incorporates three interviews never before published in book form. This supplemental material clarifies Aron's role as a voice of prudential reason in an unreasonable age and allows unparalleled access to the principal influences on Aron's thought. The volume concludes with *Democratic States and Totalitarian States*, an address by Aron to the French Philosophical Society as well as the accompanying debate with Jacques Maritain, Victor Basch, and other intellectuals. *Thinking Politically* serves as an ideal gateway into Aron's reflections and offers a superb single volume introduction to the major events and conflicts of the twentieth century. It will be a welcome addition to the libraries of political theorists, historians, sociologists, philosophers, and citizens wishing to understand the political and intellectual currents of the age.

Thinking Politically Raymond Aron, 1997-01-01 *Thinking Politically* brings together a series of remarkable interviews with Raymond Aron that form a political history of our time. Ranging over an entire lifetime from his youthful experience with the rise of Nazi totalitarianism in Berlin to the denouement of the cold war, Aron meditates on the threats to liberty and reason in the bloody twentieth century. In addition to the interviews published in the original edition, *Thinking Politically* incorporates three interviews never before published in book form. This supplemental material clarifies Aron's role as a voice of prudential reason in an unreasonable age and allows unparalleled access to the principal influences on Aron's thought. The volume concludes with *Democratic States and Totalitarian States*, an address by Aron to the French Philosophical Society as well as the accompanying debate with Jacques Maritain, Victor Basch, and other intellectuals.

Political Reason in the Age of Ideology Daniel Mahoney, 2017-07-05 A little over one hundred years after his birth and not quite twenty five years since his death, interest in the French political philosopher and sociologist Raymond Aron (1905-1983) continues to grow. Aron is now widely recognized as one of the most significant intellectual figures of the postwar period whose wide ranging reflections played a key part in preserving liberal democracy in Europe and abroad. His sober analyses of modern society, his trenchant critique of ideological politics and every form of totalitarianism, and his philosophical reflections on politics and history have given powerful support to democratic liberalism throughout the western world. Aron's work combines passion and observation, disinterested reflection and love of liberty in a way that is an imitable model for humane and balanced political reflection. In this stimulating collection of essays inspired by the centennial of Aron

s birth a distinguished group of North American and European scholars including Pierre Manent Stanley Hoffmann Irving Louis Horowitz Liah Greenfeld Claude Lefort and Aurelian Craiutu examine four key aspects of Aron s thought and work his educative legacy his reflections on other philosophers and intellectuals his distinctive approach to international relations and the unique character of his own political reflection The result is a masterful engagement with Aron s intellectual legacy and a thoughtful coming to terms with the political and intellectual substance of the twentieth century Teaching in an Age of Ideology John von Heyking, Lee Trepanier, 2013 This volume explores the role of some of the most prominent twentieth century philosophers and political thinkers as teachers It examines how these teachers conveyed truth to their students against the ideological influences found in the university and society Philosophers from Edmund Husserl and Hannah Arendt to political thinkers like Eric Voegelin and Leo Strauss and their students such as Ellis Sandoz Stanley Rosen and Harvey Mansfield are in this volume as teachers who analyze denounce and attempt to transcend ideology for a more authentic way of thinking What the reader will discover is that teaching is not merely a matter of holding concepts together but a way of existing or living in the world The thinkers in this volume represent this form of teaching as the philosophical search for truth in a world deformed by ideology *French Liberalism from Montesquieu to the Present Day* Raf Geenens, Helena Rosenblatt, 2012-01-19 This collection of essays explores an unjustly neglected tradition that is now experiencing a remarkable renaissance French political liberalism **Leo Strauss and His Legacy** John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo *The Anthem Companion to Raymond Aron* Joachim Stark, Christopher Adair-Totef, 2021-12-07 Raymond Aron is an exceptional figure among twentieth century sociological and political thinkers The book focuses on the sociological work of this author of the century who analyzed his age both in its grand scale political and socio economic traits and in the complex social ramifications of its day to day life Aron experts from a total of seven countries examine Aron s sociology in detail starting with his road from philosophy to sociology not least under the impression of the Great Depression and its aftermath especially the rise of National Socialism in Germany His epistemological studies on the limits of objective knowledge in history and the social sciences in which he moves away from Durkheim s approach and instead adopts Max Weber s sociology of understanding are analysed This acknowledgment of the limits of knowledge laid the foundations for Aron s liberalism and humanism His sociology of industrial society as an economy of economic growth in its market economy and planned economy versions its social stratification his criticism of the Marxist concept of social class the structure of the ruling elites and the pluralistic and one party totalitarian political regimes are presented as is Aron s analysis of the dialectic of modern society between the idea of equality and the authority structures in the state and the economic process This is accompanied by Aron s lifelong

criticism of those intellectuals above all in the pluralist and liberal democracies who hope that a messianic ideology will abolish all social contradictions Aron's sociology of international relations in the age of industrial society and globalization which for Aron brought about the dawn of universal history complete the overview of Raymond Aron's sociological work

The Companion to Raymond Aron José Colen, Elisabeth Dutartre-Michaut, 2016-04-08 This edited collection brings to light the rare virtues and uncommon merits of Raymond Aron the main figure of French twentieth century liberalism The Companion to Raymond Aron is an essential supplement to Aron's autobiography *Mmoires* 1984 and main works exploring the substance of his political sociological and philosophical thought **Liberal Responses to Populism** Karen Horn, Stefan Kolev, Julian F. Müller, 2025-01-27 Populism has taken root almost everywhere in the West It is crucial to understand how it has come about where its antagonistic worldview its nativism its illiberalism and its anti pluralism will take us and how we should seek to fend off this threat to liberal democracy In particular what could liberal answers look like This book is a collection of essays written by young and senior scholars in various fields from philosophy to economics Part I explores populism's nature and causes shedding light on the lure of sovereignty the perceived representation gap and the process of radicalization and human psychology Part II is dedicated to observations inside the political arena pitting liberalism and populism in a historical perspective analyzing the risk of democratic backsliding and asking how liberals should navigate the political need to make compromises In Part III the focus turns to liberal responses such as rules based public deliberation a liberal ethics attending to civic virtues improved representation through the blockchain and polycentric migration policies Part IV finally houses critical engagements with influential relevant authors such as Foucault Laclau Berlin and Harrington **Liberal Responses to Populism** is a rich and thought provoking read for scholars and students in political economy political science and political philosophy **Raymond Aron** Brian C. Anderson, 2000-01-01 This concise and penetrating analysis introduces students to the life and thought of one of the giants of twentieth century French intellectual life Portraying Raymond Aron as a great defender of reason moderation and political sobriety in an era dominated by ideological fervor and philosophical fashion Brian Anderson demonstrates the centrality of political reason to Aron's philosophy of history his critique of ideological thinking his meditations on the perennial problems of peace and war and the nature of conservative liberalism This accessible study of Aron's thought and the thought of his contemporaries will enhance any syllabus for classes on modern and contemporary political thought Liberalism as Ideology Ben Jackson, Marc Stears, 2012-02-16 Liberalism is the dominant ideology of our time yet its character remains the subject of intense scholarly and political controversy Debates about the liberal political tradition about its history its central philosophical commitments its implications for political practice lie at the very heart of the discipline of political theory Many outstanding political theorists have contributed to the growing sophistication of these debates in recent years but the original voice of Michael Freeden deserves particular attention In the course of a body of work that spans over thirty years Freeden's iconoclastic contributions have posed

important challenges to the dominant understandings of liberal ideology history and theory Such work has sought to redefine the very essence of what it is to be a liberal This book brings together an international group of historians philosophers and political scientists to evaluate the impact of Freedman's work and to reassess its central claims Classics of International Relations Henrik Bliddal, Casper Sylvest, Peter Wilson, 2013-07-24 Classics of International Relations introduces contextualises and assesses 24 of the most important works on international relations of the last 100 years Providing an indispensable guide for all students of IR theory from advanced undergraduates to academic specialists it asks why are these works considered classics Is their status deserved Will it endure It takes as its starting point Norman Angell's best selling *The Great Illusion* 1909 and concludes with Daniel Deudney's award winning *Bounding Power* 2006 The volume does not ignore established classics such as Morgenthau's *Politics Among Nations* and Waltz's *Theory of International Politics* but seeks to expand the IR canon beyond its core realist and liberal texts It thus considers emerging classics such as Linklater's *critical sociology of moral boundaries* Men and Citizens in the Theory of International Relations and Enloe's pioneering gender analysis *Bananas Beaches and Bases* It also innovatively considers certain alternative format classics such as Kubrick's satire on the nuclear arms race *Dr Strangelove* and Errol Morris's powerful documentary on war and US foreign policy *The Fog of War* With an international cast of contributors many of them leading authorities on their subject Classics of International Relations will become a standard reference for all those wishing to make sense of a rapidly developing and diversifying field Classics of International Relations is designed to become a standard reference text for advanced undergraduates post graduates and lecturers in the field of IR *Future(s) of the Revolution and the Reformation* Elena Namli, 2019-10-29 This volume brings together philosophers social theorists and theologians in order to investigate the relation between future(s) of the Revolution and future(s) of the Reformation It offers reflections on concepts and interpretations of revolution and reformation that are relevant for the analysis of future oriented political practices and political theologies of the present time *Faces of Moderation* Aurelian Craiutu, 2018-03-09 Examining the writings of twentieth century thinkers such as Raymond Aron Isaiah Berlin Norberto Bobbio Michael Oakeshott and Adam Michnik *Faces of Moderation* argues that moderation remains crucial for today's encounters with new forms of extremism *On Moderation* Harry M. Clor, 2008 Moderation suffers in today's culture of excesses In resuscitating this discarded virtue Harry Clor unveils the intrinsic power of moderation to influence and engage from the public square to the deeply personal A mature book from a senior scholar *On Moderation* answers critics of this misunderstood value demonstrating its continued relevance to human flourishing **Russell Kirk and the Age of Ideology** W. Wesley McDonald, 2004 Russell Kirk author of *The Conservative Mind* and *A Program for Conservatives* has been regarded as one of the foremost figures of the post World War II revival in conservative thought While numerous commentators on contemporary political thought have acknowledged his considerable influence on the substance and direction of American conservatism no analysis of his social and political

writing has dealt extensively with the philosophical foundations of his work In this provocative study W Wesley McDonald examines those foundations and demonstrates their impact on the conservative intellectual movement that emerged in the 1950s and 1960s Kirk played a pivotal role in drawing conservatism away from the laissez faire principles of libertarianism and toward those of a traditional community grounded in a renewed appreciation of man's social and spiritual nature and the moral prerequisites of genuine liberty In a humane social order a community of spirit is fostered in which generations are bound together According to Kirk this link is achieved through moral and social norms that transcend the particularities of time and place and because they form the basis of genuine civilized existence can only be neglected at great peril These norms reflected in religious dogmas traditions humane letters social habit and custom and prescriptive institutions create the sources of the true community that is the final end of politics Although this study does not challenge Kirk's debts to a predominantly Catholic and Anglo Catholic tradition of natural law its focus is on his appeal to historical experience as the test of sound institutions This aspect of his thought was essential to Kirk's understanding of moral cultural and aesthetic norms and can be seen in his responses to American humanists Paul Elmer More and Irving Babbitt and to English and American romantic literature Russell Kirk and the Age of Ideology is particularly relevant because of the growing interest in Kirk's legacy and the current debate over the meaning of conservatism McDonald addresses both of those developments in the context of examining Kirk's thought attempting to correct some of the inadequacies contained in earlier studies that assess Kirk as a political thinker This book will serve as a significant contribution to the commentary on this fascinating figure

Political Ideology Today Ian Adams, 1993 Now back in print this comprehensive collection of essays by Simon Adams brings to life the most enigmatic of Elizabethans Robert Dudley Earl of Leicester Adams famous for the unique depth and breadth of his research has gathered here his most important essays looking at the Elizabethan Court and the adventures and legacy of the Earl Together with his edition of Leicester's accounts and his reconstruction of Leicester's papers Adams has published much upon Leicester's influence and activities His work has reshaped our knowledge of Elizabeth and her Court Parliament and such subjects of recent debate as the power of the nobility and the noble affinity the politics of faction and the role of patronage Sixteen essays are found in this collection organized into three groups the Court Leicester and his affinity and Leicester and the regions This volume will be essential reading for academics and students interested in the Elizabethan Court and in early modern British politics more generally

The Political Theory Reader Paul Schumaker, 2010-02-22 Utilizing 100 key readings The Political Theory Reader explores the rich tradition of ideas that shape the way we live and the great issues in political theory today Allows students to see how competing ideological viewpoints think about the same political issues Provides readers with direct access to authors covered in the From Ideologies to Public Philosophies text Facilitates discussions by having readings arranged thematically throughout text Extracts of works specifically chosen to focus on topics central to issues covered in chapters

The Emergence of Globalism

Or Rosenboim, 2017-03-28 How competing visions of world order in the 1940s gave rise to the modern concept of globalism During and after the Second World War public intellectuals in Britain and the United States grappled with concerns about the future of democracy the prospects of liberty and the decline of the imperial system Without using the term globalization they identified a shift toward technological economic cultural and political interconnectedness and developed a globalist ideology to reflect this new postwar reality The Emergence of Globalism examines the competing visions of world order that shaped these debates and led to the development of globalism as a modern political concept Shedding critical light on this neglected chapter in the history of political thought Or Rosenboim describes how a transnational network of globalist thinkers emerged from the traumas of war and expatriation in the 1940s and how their ideas drew widely from political philosophy geopolitics economics imperial thought constitutional law theology and philosophy of science She presents compelling portraits of Raymond Aron Owen Lattimore Lionel Robbins Barbara Wootton Friedrich Hayek Lionel Curtis Richard McKeon Michael Polanyi Lewis Mumford Jacques Maritain Reinhold Niebuhr H G Wells and others Rosenboim shows how the globalist debate they embarked on sought to balance the tensions between a growing recognition of pluralism on the one hand and an appreciation of the unity of humankind on the other An engaging look at the ideas that have shaped today's world The Emergence of Globalism is a major work of intellectual history that is certain to fundamentally transform our understanding of the globalist ideal and its origins *Community and Political Thought Today* Peter Lawler, Dale McConkey, 1998-09-30 There is a crisis in America revolving around social and political life and the contributors to this essay collection believe it has provoked a renewed attention to the issue of community in political thought The 14 essays approach the question of community and political thought from a variety of perspectives ranging from political philosophy to social theory All the essays however share the concern of the opening essay by Hertzke and McRorie about moral ecology or determining what is required for a vital and free social and political life and preserving it from erosion by individualism in its various forms Two of the essays by Jardine and Stier deal with understanding the communitarian impulse Three by Frohnen Stone and Woolfolk evaluate perhaps the first major contribution to the communitarian movement Habits of the Heart While McClay's chapter seeks to restore the connection between federalism and communitarianism Sharpe's essay connects the liberal communitarian debate to the classic works of de Tocqueville and Arendt Two essays by Knippenberg and Lawler criticize the quirky communitarianism of America's leading professor of philosophy Richard Rorty Lawler also criticizes Bloom for his similarity to Rorty joining Nichols in her discussion of Bloom's excessive debt to Rousseau McDaniel and Mahoney present unfashionable appreciations not without criticism of the achievement of Leo Strauss's illiberal if not exactly communitarian thought Finally Anderson discusses Raymond Aron's prudent opposition to the oxymoronic global community This is a unique and significant collection for all students and researchers interested in contemporary social and political thought

Thinking Politically A Liberal In The Age Of Ideology Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Thinking Politically A Liberal In The Age Of Ideology PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Thinking Politically A Liberal In The Age Of Ideology PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Thinking Politically A Liberal In The Age Of Ideology free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Thinking Politically A Liberal In The Age Of Ideology Books

1. Where can I buy Thinking Politically A Liberal In The Age Of Ideology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
