

WHY I THINK YOU'RE AWESOME

It's not because you don't make mistakes. We all do. That's how we learn. It's not because you haven't occasionally come across in a way you didn't intend. **We all do that, too.** It's not because you're always friendly, always generous, or always think of others before yourself.

The fact is, **we're all a work-in-progress** and no one is perfect.

The reason I think you're awesome is because of what I know you are capable of.

I know how you can make someone's day simply by showing them appreciation. I know how you can change a life by offering friendly advice and encouragement. I know how you can improve upon the things you want to work on just by making them more of a priority in your life.

Perhaps it's your fitness, your diet, or your relationships.
Perhaps it's all three.

I know there is an incredibly powerful person in you capable of achieving far more than you ever thought possible. A person who, by striving to add just a little more positivity and kindness to the world each day, motivates and inspires others to do the same.

That person is awesome. **That person is you.**
