Third Time Lucky The Coxwells 1:

Third Time Lucky Deborah Cooke, 2013-02-01 I always get the math wrong Is the third time the charm Because I can think of three good reasons not to let Nick Sullivan back into my life First I got over my infatuation with him cold turkey So what did he have to offer anyway Mystery Adventure A sexy grin and a killer sense of humor All of the above if I think about it Which I don't Ever Second he had the nerve to come back After fifteen years he shows up looking better than ever for a place to hide with a story about being framed for murder Only problem is there's no corpse As if I'd fall for that old line Third I'm now old enough to know better and smart enough not to be seduced all over again by the warmth in his eyes I should give him the boot But is it murder And he does need a place to stay This time it's strictly business Nothing personal Just harboring a fugitive For old times sake And just maybe to satisfy my own craving for a little adventure So what does that add up to Third Time Lucky
