How Guns Made the Civil Rights Movement Possible

CHARLES E. COBB JR.

This Nonviolent Stuffl Get Killed

Charles E. Cobb

This Nonviolent Stuffll Get Killed:

This Nonviolent Stuffll Get You Killed Charles E Cobb Jr.,2014-06-03 Visiting Martin Luther King Jr at the peak of the Montgomery Alabama bus boycott journalist William Worthy almost sat on a loaded pistol Just for self defense King assured him It was not the only weapon King kept for such a purpose one of his advisors remembered the reverend s Montgomery Alabama home as an arsenal Like King many ostensibly nonviolent civil rights activists embraced their constitutional right to selfprotection yet this crucial dimension of the Afro American freedom struggle has been long ignored by history In *This Nonviolent Stuff ll Get You Killed* civil rights scholar Charles E Cobb Jr describes the vital role that armed self defense played in the survival and liberation of black communities in America during the Southern Freedom Movement of the 1960s In the Deep South blacks often safeguarded themselves and their loved ones from white supremacist violence by bearing and when necessary using firearms In much the same way Cobb shows nonviolent civil rights workers received critical support from black gun owners in the regions where they worked Whether patrolling their neighborhoods garrisoning their homes or firing back at attackers these courageous men and women and the weapons they carried were crucial to the movement s success Giving voice to the World War II veterans rural activists volunteer security guards and self defense groups who took up arms to defend their lives and liberties *This Nonviolent Stuff ll Get You Killed* lays bare the paradoxical relationship between the nonviolent civil rights struggle and the Second Amendment Drawing on his firsthand experiences in the civil rights movement and interviews with fellow participants Cobb provides a controversial examination of the crucial place of firearms in the fight for American freedom

This Nonviolent Stuffll Get You Killed Charles E. Cobb,2014-06-03 Describes how the people most crucial to the success of the civil rights movement were nonviolent activists who carried firearms and discusses the role guns played in the Southern Freedom Movement

This Nonviolent Stuffll Get You Killed Charles E. Cobb (Jr.),2014 Visiting the parsonage of Martin Luther King Jr during the peak of the civil rights movement the journalist William Worthy began to ease himself into an armchair only to stop short Sitting on the cushion was a loaded pistol Just for self defense King assured Worthy It was not the only weapon that King kept for such a purpose Glenn Smiley a southern minister who advised King on the techniques of nonviolence during the Montgomery bus boycott remembered King s home as an arsenal Living under constant death threats King enlisted armed supporters to guard his home and family and even applied for a conceal and carry permit His application was denied but it like the rest of the evidence about King s gun ownership points to a side of the civil rights movement that has long been ignored by history In *This Nonviolent Stuff ll Get You Killed* award winning civil rights scholar Charles E Cobb Jr reveals the fundamental but long overlooked role that armed self defense played in the golden era of the civil rights movement

Aftershock John Feffer,2017-11-15 In this unique panoramic account of faded dreams journalist John Feffer returns to Eastern Europe a quarter of a century after the fall of communism to track down hundreds of people he spoke to in the initial atmosphere of optimism as the Iron Curtain fell from politicians and scholars to trade

unionists and grass roots activists What he discovers makes for fascinating if sometimes disturbing reading From the Polish scholar who left academia to become head of personnel at Ikea to the Hungarian politician who turned his back on liberal politics to join the far right Jobbik party Feffer meets a remarkable cast of characters He finds that years of free market reforms have failed to deliver prosperity corruption and organized crime are rampant while optimism has given way to bitterness and a newly invigorated nationalism Even so through talking to the region s many extraordinary activists Feffer shows that against stiff odds hope remains for the region s future *CLA Journal* ,2016 **Arkansas Review** ,2016

This Light of Ours Leslie G. Kelen,2012-01-05 This Light of Ours Activist Photographers of the Civil Rights Movement is a paradigm shifting publication that presents the Civil Rights Movement through the work of nine photographers who participated in the movement as activists with SNCC SCLC and CORE Unlike images produced by photojournalists who covered breaking news events these photographers lived within the movement primarily within the Student Nonviolent Coordinating Committee SNCC framework and documented its activities by focusing on the student activists and local people who together made it happen The core of the book is a selection of 150 black and white photographs representing the work of photographers Bob Adelman George Ballis Bob Fitch Bob Fletcher Matt Herron David Prince Herbert Randall Maria Varela and Tamio Wakayama Images are grouped around four movement themes and convey SNCC s organizing strategies resolve in the face of violence impact on local and national politics and influence on the nation s consciousness The photographs and texts of This Light of Ours remind us that the movement was a battleground that the battle was successfully fought by thousands of ordinary Americans among whom were the nation s courageous youth and that the movement s moral vision and impact continue to shape our lives [May I Kill?](#) Jeffrey K. Mann,2018-09-28 Today we live in a world where we are less exposed to violence than at any other time in history However we also know that violence can come knocking on our door at any moment Preparing for this possibility means more than physical safety it means being clear with ourselves about the ethics of violence Can violence be justified When should we fight How should we fight And in situations when things have gone badly may we kill These questions are not only for politicians soldiers and police officers but are also important considerations for civilians whose lives do not normally intersect with violence Whether advocating for government policies marching in the streets or defending ourselves and loved ones a coherent moral framework is essential to good decision making May I Kill examines the efficacy of different approaches to non violence and Just War Theory By scrutinizing these ethical theories the reader is encouraged to critically examine occasions for the use of force from a moral perspective whether nations at war or violent encounters in our own neighborhoods We may then determine how best to develop ourselves body mind and spirit to respond effectively and make the world a safer place

This Nonviolent Stuffl Get Killed Book Review: Unveiling the Power of Words
