This World Playground Or Battleground:

This World A. W. Tozer,1995-08 There was a time Tozer writes when our Christian forebears saw the world as it truly is a battlefield They knew that hell was a force pitted against God heaven and righteousness Tozer fears that now people think of the world as a playground not a battleground He exhorts us to appreciate the seriousness of the spiritual struggle we are all engaged in but also to see it as a battle in which victory is certain

This World A. W. Tozer,2009-06-01 This World Playground or Battleground is a wonderful call to the real world or the spiritual life Christianity exercised a dominant influence over the thinking of our forefathers They conceived the world as a battleground They believed in sin and the devil and hell as constituting one force and in God and righteousness and heaven as the other How different today People think of the world not as a battleground but as a playground In This World Playground or Battleground Tozer calls us to see the real world of the spiritual that lies beyond the physical world that so ensnares us It can be read as a daily devotional or as a premeditative salve for the soul as you prepare to come into communion with God The text is short and to the point abrupt but full of vigor profound and downright relevant today Take this excerpt from the first chapter People think of the world not as a battleground but as a playground We are not here to fight we are here to frolic The worship growing out of such a view itself has become a sort of sanctified nightclub without champagne

Fiery Faith A. W. Tozer,2012-11-09 Faith is the continuous gaze of the heart of God A W Tozer Walking with God by faith permeated everything A W Tozer wrote Each chapter of this unique compilation was strategically chosen to take you on an exciting journey that will revive and refresh your faith in God Tozer was never one to mince words and this is yet another book that shows the incredible power of a man speaking God s thoughts after Him Fiery Faith includes questions for reflection that help make this book an excellent resource for study and small group use Whenever my heart needs to be rekindled I seem to find myself continually turning to Tozer Dr Bruce Wilkinson founder of Walk Thru the Bible

[I Never Thought I'd See the Day!](#) David Jeremiah,2011-10-04 Is Western civilization in an accelerating decline And if it continues will it eventually weaken and cause us to come to the end of cultured civilization as we now know it Yes says David Jeremiah and in his book I Never Thought I d See the Day he details numerous signs of this cultural decay including America held hostage by Iran Marriage becoming obsolete Creeping socialism The invisibility of culture s enemies Increase in spiritual warfare America turning its back on Israel Atheist attack on religion Can this downward spiral be reversed Yes but only if one person at a time returns to God with our heart our manner of life our dedication to genuine worship of God in serving God by helping others in our giving and in prayer

Dying to Live Kevin Deane,2014-01-30 While believers face an onslaught of sin in modern media in the workplace and at school it can be difficult to live the Christian life Surviving might be easy enough but how do you live righteously in the middle of a world that throws sin at us from all sides Because to be honest sometimes it hard to have a heart that actually wants to live for God God did not make us so we could go to church avoid major sins and sit around doing nothing for Him

How do you live in Christ I believe the secret is in understanding the death that leads to life The Bible calls us to live on the cross On that cold inelegant rough Roman device There s nothing showy or beautiful about a cross it only has one purpose to kill people You are called to live crucified Being united in the death of Jesus is the only thing that will lead to life Are you dying to live Things You Probably Didn't Learn in Church Jerry Blount,2015-02-03 As a Bible researcher and teacher of over forty years I have noticed that there are certain topics in the Bible that most Christians know little if anything about For instance do you think heaven will be a boring place Many Christians do so why would they be looking forward to going there Learn the real facts Do you know the next prophecy to be fulfilled will be the Rapture when Christ will return to take the believers home to heaven Many Biblical scholars believe this will happen soon You need to be ready Are you aware that there is an unbelievable amount of evidence that proves that Jesus lived was crucified and rose again The Bible contains information that could not have been written without divine inspiration including advanced knowledge about nature prophecy medicine sanitation and science knowledge that was thousands of years ahead of its time Fulfilled prophecy and archaeology discoveries are proving the scriptures to be true The effects of Satan and his demons are all around us broken marriages depression private doubts about God divided churches You need to be aware of his tactics Are angels involved in our everyday lives Do you have your own guardian angel These questions and many many more are answered in this book Many years ago I asked God to give me a hunger for His word He honored that request far more than I anticipated I truly enjoy studying researching and sharing the scriptures God has blessed my wife and myself in so many ways We live in a beautiful part of the country Michigans Upper Peninsula God has also blessed us with a great son and daughter their spouses and the four greatest granddaughters ever I am a blessed man **The Call to Arms** Stephen Allen Newby,2019-04-26 The moment we come to faith in Jesus Christ we are enrolled into battle against the unholy trinity the world the flesh and the devil And all too many men are AWOL absent without leave in their walk with the Lord Spiritually they are missing in action A Call to Arms is about the challenges all Christian men face in this battle and the ways our enemy goes about to subvert our growth and obedience to the call of God in our lives It is addressed to Christian men who have struggled in their walk with the Lord just as the author Stephen has The battle with our old nature is honestly addressed as are the brokenness of divorce loneliness and other areas of woundedness within us A look at the beauty of brokenness is addressed noting that there are redemptive qualities suffering can bring about in our lives Renewal for the hearts minds and souls of men can come only by the transforming power of the Word of God Included after each chapter is a 5 day study guide to help us to examine our own heart and deepen our understanding of both the material covered and about ourselves **Satan's Super Soldiers** Barry Blackstone,2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David

Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan's plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31
