This House Has Fallen Karl Maier, 2009-04-29 To understand Africa one must understand Nigeria and few Americans understand Nigeria better than Karl Maier This House Has Fallen is a bracing and disturbing report on the state of Africa's most populous potentially richest and most dangerously dysfunctional nation Each year with depressing consistency Nigeria is declared the most corrupt state in the entire world Though Nigeria is a nation into which billions of dollars of oil money flow its per capita income has fallen dramatically in the past two decades Military coup follows military coup A bellwether for Africa it is a country of rising ethnic tensions and falling standards of living very possibly on the verge of utter collapse a collapse that could dramatically overshadow even the massacres in Rwanda A brilliant piece of reportage and travel writing This House Has Fallen looks into the Nigerian abyss and comes away with insight profound conclusions and even some hope Updated with a new preface by the author [This House Has Fallen Midnight In Nigeria](#) Karl Maier, 2000-07-13 Nigeria's leaders have tended to elect themselves by bullet and not ballot with military coup following military coup A country of rapidly rising ethnic and religious tensions and rapidly falling living standards the pressure cooker that is Nigeria is building dangerously close to an explosion that would send shock waves throughout Africa and beyond BOOK JACKET [This House Has Fallen Custom Edition](#) Karl Maier, 2013-09-10
