This Land Is Our Land Immigrants And Power In Miami:

This Land Is Our Land Alex Stepick,Guillermo Grenier,Max Castro,Marvin Dunn,2003-05-26 For those opposed to immigration Miami is a nightmare Miami is the de facto capital of Latin America it is a city where immigrants dominate Spanish is ubiquitous and Denny's is an ethnic restaurant Are Miami's immigrants representative of a trend that is undermining American culture and identity Drawing from in depth fieldwork in the city and looking closely at recent events such as the Eli n Gonz lez case This Land Is Our Land examines interactions between immigrants and established Americans in Miami to address fundamental questions of American identity and multiculturalism Rather than focusing on questions of assimilation as many other studies have this book concentrates on interethnic relations to provide an entirely new perspective on the changes wrought by immigration in the United States A balanced analysis of Miami's evolution over the last forty years This Land Is Our Land is also a powerful demonstration that immigration in America is not simply an us versus them phenomenon

Reconsidering Israel-Diaspora Relations Eliezer Ben-Rafael,Judit Bokser Liwerant,Yosef Gorny,2014-06-19 In this era of globalization Jewish diversity is marked more than ever by transnational expansion of competing movements and local influences on specific conditions One factor that still makes Jewish communities one is the common reference to Israel Today however differentiations and discrepancies in identification and behavior generate plurality and ambiguities about Israel Diaspora relationships Moreover the Judeophobia now rife in Europe and beyond as well as the spread of the Palestinian cause as a civil religion make Israel the world's Jew among nations This weighs heavily on community relations despite Israel's active presence in the diaspora In this context the contributions to this volume focus on Jewish peoplehood religiosity and ethnicity gender and generation Israelophobia and world Jewry and debate the perspectives that are most pertinent to confront the question how far is the Jewish Commonwealth Klal Yisrael still an important code of Jewry today

Walsh,2011-11-16 Since 1985 Radio Marti a Radio Free Europe type station has broadcast American news and propaganda in Cuba Its sister station TV Marti debuted in 1990 Respected operations at the start Radio and TV Marti fell under the influence of the Cuban American National Foundation a group of hard line Cuban exiles who intensified the anti Castro rhetoric the stations sent to the island and promoted its leaders as the heirs to a post Castro Cuba Though the initial goal of the two stations was to increase pro American sentiment among the island nation's citizens the stations have succeeded only in driving the two nations further apart This history of American propaganda broadcasting in Cuba describes how Castro used radio to obtain power explores the impact of Radio and TV Marti on U S Cuba relations including the phenomenon of Cuban rafters and chronicles the domestic political struggles to keep the stations on the air

From Bananas to Buttocks Myra Mendible,2010-06-03 From the exuberant excesses of Carmen Miranda in the tutti frutti hat to the curvaceous posterior of Jennifer Lopez the Latina body has long been a signifier of Latina o identity in U S popular culture But how does this stereotype of the exotic erotic Latina bombshell

relate if at all to real Latina women who represent a wide spectrum of ethnicities national origins cultures and physical appearances How are ideas about Latinidad imagined challenged and inscribed on Latina bodies What racial class and other markers of identity do representations of the Latina body signal or reject In this broadly interdisciplinary book experts from the fields of Latina o studies media studies communication comparative literature women s studies and sociology come together to offer the first wide ranging look at the construction and representation of Latina identity in U S popular culture The authors consider such popular figures as actresses Lupe V lez Salma Hayek and Jennifer Lopez singers Shakira and Celia Cruz and even the Hispanic Barbie doll in her many guises They investigate the media discourses surrounding controversial Latinas such as Lorena Bobbitt and Marisleydis Gonz lez And they discuss Latina representations in Lupe Solano s series of mystery books and in the popular TV shows El Show de Cristina and Laura en Am rica This extensive treatment of Latina representation in popular culture not only sheds new light on how meaning is produced through images of the Latina body but also on how these representations of Latinas are received revised and challenged Diplomacy Meets Migration

Hideaki Kami,2018-06-28 Diplomacy Meets Migration examines diplomacy migration and the history of US relations with Cuba during the Cold War Hideaki Kami draws on declassified US and Cuban diplomatic sources as well as Miami Cuban lobby records to challenge traditional interpretations that mainly focus on the two national capitals Washington and Havana By incorporating Miami into the story of foreign affairs Kami assesses the intersection between migration and diplomacy and considers how migration emerged as a critical issue that shaped the dynamism of US relations with Cuba Kami demonstrates that the US government reformulated its Cuban policy in response to Fidel Castro s institutionalization of power while simultaneously trying to build a new relationship with the Miami Cuban community a new politically mobilized constituency within US society He shows how both migration control and migrant politics became important components of US foreign policy which in turn influenced Cuban policy toward the United States **Primary Research and Writing**
