

This long disease, my life.

Alexander Pope

This Long Disease Life Alexander

**Marjorie Hope Nicolson, George
Sebastian Rousseau**

This Long Disease Life Alexander:

This Long Disease, My Life Marjorie Hope Nicolson, George Sebastian Rousseau, 2015-12-08 When in his Epistle to Dr Arbuthnot Pope referred to this long disease my life his statement was quite literally true since Pope in addition to being a dwarf and a hunchback suffered from many diseases during his lifetime With technical advice from several physicians the authors present the first medical case history of the poet Drawing heavily upon the Correspondence for information about Pope s symptoms they discuss the effect ill health had on his writings and the prevalence of medical themes in his works The authors also explore Pope s interests in astronomy second only to his obsession with medicine microscopy geology and physics and how they relate to his writings Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Illness, Disease and Death in the Poems of Constantine Cavafy Iakovos Menelaou, 2022-07-28 Constantine Cavafy s preoccupation with the fragility of the human condition and his attention to illness disease and death old age alcohol consumption and homosexuality continue to attract and challenge his readers In turning anew to these themes this book draws on the medical humanities to provide a new and integrated framework The medical humanities provide us with a new framework through which Cavafy s poetry can be investigated not only by scholars in literary studies and world literature but also by medical practitioners and researchers in the history of medicine *Our Present Complaint* Charles E. Rosenberg, 2007-12-26 The renowned medical historian examines the current tensions in American healthcare in this cogently written and well documented book Choice In *Our Present Complaint* Charles E Rosenberg examines today s dilemmas in American medicine within their historical and social contexts He begins with an insightful look at the fundamental characteristics of medicine how we think about disease how the medical profession thinks about itself and its moral and intellectual responsibilities and what prospective patients all of us expect from the medical profession Rosenberg also considers how ideas of disease causation reflect social values and cultural negotiations His analyses of alternative medicine and bioethics consider the historically specific ways in which we define and seek to control what is appropriately medical At a time when clinical care and biomedical research generate as much angst as they offer cures this volume provides valuable insight into how the practice of medicine has evolved where it is going and how lessons from history can improve its prognosis The Yard of Wit Raymond Stephanson, 2004 Raymond Stephanson configures masculinity and its expressions in male creativity historically biographically and in sufficient deep layer detail to persuade the most rigorous of scholars that this work will be a reliable source of enduring worth George Rousseau De Montfort University **"This long disease, my life": Alexander**

Pope and the Sciences, by M.Nicolson and G.S.Rousseau Marjorie Hope Nicolson, George Sebastian Rousseau, 2017-09-20
Speculative Freemasonry and the Enlightenment R. William Weisberger, 2017-09-20
 Freemasonry began with stonemasons in the Middle Ages experiencing the decline of cathedral building Some guilds invited honorary memberships to boost their numbers These usually highly educated new members practiced symbolic or speculative Freemasonry The new Masonic lodges and learned societies offered their growing numbers of Protestant Catholic and Jewish members an understanding of deism Newtonian science and representative government and of literature and the fine arts This work describes how Masons on both sides of the Atlantic were mostly either enlighteners political reformers or moderate revolutionaries They offered minimal support to radical revolutionary ideas and leaders

Gay and Lesbian Literary Heritage Claude J. Summers, 2014-02-25 The revised edition of The Gay and Lesbian Literary Heritage is a reader's companion to this impressive body of work It provides overviews of gay and lesbian presence in a variety of literatures and historical periods in depth critical essays on major gay and lesbian authors in world literature and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world New articles in this volume feature authors such as Michael Cunningham Tony Kushner Anne Lister Kate Millet Jan Morris Terrence McNally and Sarah Waters essays on topics such as Comedy of Manners and Autobiography and overviews of Danish Norwegian Philippines and Swedish literatures as well as updated and revised articles and bibliographies

Print, Chaos, and Complexity Mark E. Wildermuth, 2008 Textual instability print and complex dynamics in the Johnsonian mediated cultural milieu Pope as a precursor to Johnson the mediation of chaos and order in An essay on man Complexity and mediated culture in Johnson's moral periodical prose Johnson's politics in the milieu of informatics Samuel Johnson mediation representation and the aesthetics of complex dynamics
