Thomas Cranmer Diarmaid MacCulloch, 1996-01-01 The first major biography of its subject in more than thirty years makes use of new British manuscript sources to draw a rich portrait of Henry VIII's archbishop of Canterbury who guided England through the Reformation UP **The Life and Martyrdom of Thomas Cranmer.** Thomas Cranmer, Emblem of Faith Untouched Williams, Leslie, 2016 Relates one of the most remarkable lives in the tumultuous English Reformation Thomas Cranmer 1489-1556 was the first Anglican Archbishop of Canterbury the author of the Book of Common Prayer and a central figure in the English Protestant Reformation Few theologians have led such an eventful life Cranmer helped Henry VIII break with the pope pressed his vision of the Reformation through the reign of Edward VI was forced to recant under Queen Mary and then dramatically withdrew his recantations before being burned alive This lively biography by Leslie Williams narrates Cranmer's life from the beginning through his education and history with the monarchy to his ecclesiastical trials and eventual martyrdom Williams portrays Cranmer's ongoing struggle to reconcile his two central loyalties allegiance to the crown and fidelity to the Reformation faith as she tells his fascinating life story **The Life and Times of Thomas Cranmer** Hannah Lee, 2025-07-27 Reprint of the original first published in 1841 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Life and Times of Thomas Cranmer** Hannah Farnham Sawyer Lee, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1852 edition Excerpt CRANMER AND HIS TIMES CHAPTER I Henry The Eighth ascended the throne in 1509 at the age of eighteen His father Henry the Seventh had left him a well filled treasury a kingdom at peace with all the world loyal subjects and experienced ministers Henry united in himself the claims of Lancaster and York Nature had given him personal beauty and he was educated in the learning of the times Had that learning been such as the education of modern times presents to the youthful and ardent mind a wholly different character might have been formed But he was doomed to pass his early days in the study of abstruse theological questions considering learning as the field of polemical debate and early enlisting under the banners of Thomas Aquinas This course of education could have but little favorable influence in forming his moral character or in cultivating a taste for high and noble pursuits In manly exercises and in the accomplishments of the day he was said to be well skilled but it is evident that the theory of self education had never been inculcated upon the mind of the youthful King There is not the distinction which the thoughtless are apt to imagine between the high born and the low All have a work to

accomplish for themselves which no earthly power can accomplish for them The monarch may become the slave of his own vices and the poorest subject a monarch over himself The Universal Father does not give to one of his children bread to another a stone but he gives to all the power of being virtuous and this power he has placed in the soul It is not far that we have to seek it or long to wait for it it comes in the form of conscience and principle and cherished springs into action It has been common to
