Kidd, 2016-09-20 The bestselling author's inspiring autobiographical account of personal pain, spiritual awakening, and divine grace. Inspiring Sue Monk Kidd is a direct literary descendant of Carson McCullers. Baltimore Sun Grounded in personal experience and bolstered with classic spiritual disciplines and Scripture, this book offers an alternative to fast-fix spirituality. Bookstore Journal Blending her own experiences with an intimate grasp of spirituality, Sue Monk Kidd relates the passionate and moving tale of her spiritual crisis when life seemed to have lost meaning and her longing for a hasty escape from the pain yielded to a discipline of active waiting. Full of wisdom, poise, and grace, Kidd's words will encourage us along our spiritual journey toward becoming who we truly are. **The Canadian Magazine of Politics, Science, Art & Literature** J.

Gordon Mowat, John Alexander Cooper, Newton MacTavish, 1893 *The Canadian Magazine of Politics, Science, Art and Literature*, 1893 The Dance of the Dissident Daughter Sue Monk Kidd, 2016-09-20 A masterpiece of women's wisdom.

Christiane Northrup M.D. The journey to capture her feminine soul and live authentically makes a fascinating, well-researched and well-written story. Publishers Weekly In celebration of the twentieth anniversary of its publication, a newly reissued edition of the bestselling author's classic work of feminine spiritual discovery with a new introduction by the author. I was amazed to find that I had no idea how to unfold my spiritual life in a feminine way. I was surprised and in fact a little terrified when I found myself in the middle of a feminist spiritual reawakening. Sue Monk Kidd For years Sue Monk Kidd was a conventionally religious woman. Then in the late 1980s she experienced an unexpected awakening and began a journey toward a feminine spirituality. With the exceptional storytelling skills that have helped make her name, Kidd tells her very personal story of the fear, anger, healing, and freedom she experienced on the path toward the wholeness that many women have lost in the church. From a jarring encounter with sexism in a suburban drugstore to monastery retreats and to rituals in the caves of Crete, she reveals a new level of feminine spiritual consciousness for all women, one that retains a meaningful connection with the deep song of Christianity, embraces the sacredness of ordinary women's experience, and has the power to transform in the most positive ways every fundamental relationship in a woman's life: her marriage, her career, and her religion. **A Time for Healing** David E.
