Trilogy of Truth Reverend C. L. Dees, 2015-12-10 Only eternity will reveal the significance of his labors for the kingdom of God Reverend David Bernard There will be those that can say This man taught me how to love the Lord Reverend Nathaniel Urshan C L Dees will leave a stamp on this generation which will continue to speak for God bring glory to His kingdom for as long as the world stands The Manguns **Richard Kearney's Anatheistic Wager** Pierre Drouot, 2018-04-23 Philosopher Blaise Pascal famously insisted that it was better to wager belief in God than to risk eternal damnation More recently Richard Kearney has offered a wager of his own the anatheistic wager or return to God after the death of God In this volume an international group of contributors consider what Kearney's spiritual wager means They question what is at stake with such a wager and what anatheism demands of the self and of others The essays explore the dynamics of religious anatheistic performativity its demarcations and limits and its motives A recent interview with Kearney focuses on crucial questions about philosophy theology and religious commitment As a whole this volume interprets and challenges Kearney's philosophy of religion and its radical impact on contemporary views of God **The Complete Works: Fantasy & Sci-Fi Novels, Religious Studies, Poetry & Autobiography** C. S. [Rosmini's Suspended Middle](#) Fernando Bellelli,2024-01-10 Antonio Rosmini 1797 1855 was a genius who combined science and sanctity His contribution turns on the theory of the suspended middle of the original relationship between the natural and the supernatural which he experienced and elaborated The device of the relationship between the original metaphysical affective symbolic structure of the believing conscience and the affective turn in metaphysics intrinsically linked to his trinitarian ontology allowed Rosmini to elaborate theories and epistemologies from a unitary perspective in various fields of knowledge This volume indicates the implications of the unbreakable bond between Rosmini s philosophy and theology in disciplines such as pedagogical science political science and juridical science Following the favorable resolution of the Rosminian question the Catholic Church beatified Rosmini in 2007 and in 2018 indicated his theoretical practical approach as a universal education model to be followed Through essays by major experts in Rosmini s thought this curatorship offers an international public a brief reasoned overview of Rosmini s thinking on these disciplines finally translated into English so that this perspective can be understood and explored with particular regard to the possibility of encouraging ecumenical comparison between Rosmini s suspended middle and for example that of Radical Orthodoxy
