Sari Altschuler

Waking Giant America In The Age Of Jackson:

Waking Giant David S. Reynolds, 2009-03-06 A New York Times Notable Book Far more than just a political story or for that matter a story of Andrew Jackson Reynolds's book shines a bright light on the cultural social intellectual and artistic currents buffeting the nation Reynolds is a thoughtful historian and *Waking Giant* is as engaging and insightful a narrative of this critical interregnum as any written in years New York Times Book Review A brilliant definitive history of America's vibrant and tumultuous rise during the Jacksonian era from the Bancroft Prize winning author of *Walt Whitman's America* America experienced unprecedented growth and turmoil in the years between 1815 and 1848 It was an age when Andrew Jackson redefined the presidency and James K Polk expanded the nation's territory Historian and literary critic David S Reynolds captures the turbulence of a democracy caught in the throes of the controversy over slavery the rise of capitalism and the birth of urbanization He brings to life the reformers abolitionists and temperance advocates who struggled to correct America's worst social ills and he reveals the shocking phenomena that marked the age violent mobs P T Barnum's freaks all seeing mesmerists polygamous prophets and rabble rousing feminists Meticulously researched and masterfully written *Waking Giant* is a brilliant chronicle of America's vibrant and tumultuous rise Waking Giant David S.

Reynolds, 2008-09-30 The Bancroft Prize winning author offers a fascinating history of Jacksonian America *Waking Giant* captures the turbulence of a democracy caught in the throes of the slavery controversy the rise of capitalism and the birth of urbanization 40 b w illustrations throughout The Medical Imagination Sari Altschuler, 2018-02-01 In 1872 Ralph Waldo Emerson wrote Science does not know its debt to imagination words that still ring true in the worlds of health and health care today The checklists and clinical algorithms of modern medicine leave little space for imagination and yet we depend on creativity and ingenuity for the advancement of medicine to diagnose unusual conditions to innovate treatment and to make groundbreaking discoveries We know a great deal about the empirical aspects of medicine but we know far less about what the medical imagination is what it does how it works or how we might train it In *The Medical Imagination* Sari Altschuler argues that this was not always so During the eighteenth and nineteenth centuries doctors understood the imagination to be directly connected to health intimately involved in healing and central to medical discovery In fact for physicians and other health writers in the early United States literature provided important forms for crafting testing and implementing theories of health Reading and writing poetry trained judgment cultivated inventiveness sharpened observation and supplied evidence for medical research while novels and short stories offered new perspectives and sites for experimenting with original medical theories Such imaginative experimentation became most visible at moments of crisis or novelty in American medicine such as the 1790s yellow fever epidemics the global cholera pandemics and the discovery of anesthesia when conventional wisdom and standard practice failed to produce satisfying answers to pressing questions Throughout the eighteenth and nineteenth centuries health research and practice relied on a broader complex of knowing in which

imagination often worked with and alongside observation experience and empirical research In reframing the historical relationship between literature and health *The Medical Imagination* provides a usable past for contemporary conversations about the role of the imagination and the humanities more broadly in health research and practice today *Transatlantic Sensations* John Cyril Barton, Kristin N. Huston, a Preface by David S. Reynolds, 2016-02-24 Bringing together sensation writing and transatlantic studies this collection makes a convincing case for the symbiotic relationship between literary works on both sides of the Atlantic *Transatlantic Sensations* begins with the prehistories of the genre looking at the dialogue and debate generated by the publication of sentimental and gothic fiction by William Godwin Susanna Rowson and Charles Brockden Brown Thus establishing a context for the treatment of works by Louisa May Alcott Mary Elizabeth Braddon Dion Boucicault Wilkie Collins Charles Dickens George Lippard Charles Reade Harriet Beecher Stowe and George Thompson the volume takes up a wide range of sensational topics including sexuality slavery criminal punishment literary piracy mesmerism and the metaphors of foreign literary invasion and diseased reading Concluding essays offer a reassessment of the realist and domestic fiction of George Eliot Charlotte Yonge and Thomas Hardy in the context of transatlantic sensationalism emphasizing the evolution of the genre throughout the century and mapping a new transatlantic lineage for this immensely popular literary form The book's final essay examines an international kidnapping case that was a journalistic sensation at the turn of the twentieth century *Crossroads of a Continent* Peter A. Hansen, Don L. Hofsommer, Carlos Arnaldo Schwantes, 2022-09-20 *Crossroads of a Continent* Missouri Railroads 1851-1921 tells the story of the state's railroads and their vital role in American history Missouri and St. Louis its largest city are strategically located within the American Heartland On July 4, 1851, when the Pacific Railroad of Missouri began construction in St. Louis, the city took its first step to becoming a major hub for railroads By the 1920s the state was crisscrossed with railways reaching toward all points of the compass Authors Peter A. Hansen, Don L. Hofsommer, and Carlos Arnaldo Schwantes explore the history of Missouri railroads through personal absorbing tales of the cutthroat competition between cities and between railroads that meant the difference between prosperity and obscurity the ambitions and dreams of visionaries Fred Harvey and Arthur Stilwell and the country's excitement over the St. Louis World's Fair of 1904 Beautifully illustrated with over 100 color images of historical railway ephemera *Crossroads of a Continent* is an engaging history of key American railroads and of Missouri's critical contribution to the American story *With Liberty and Justice for All?* Steven A. Steinbach, Maeva Marcus, Robert Cohen, 2022 A valuable resource for students, teachers, and citizens looking to better understand US Constitutional history *With Liberty and Justice for All: The Constitution in the Classroom* is designed to help teachers and students generate analysis and debate in our nation's classrooms about an aspect of US history that has produced intense disagreements about rights and wrongs constitutional history For more than two centuries Americans have argued about what the US Constitution permits or requires or not and what values and ideals it enshrines or not indeed who is to be included or not in the very

definition of We the People This book provides abundant resources to explore key moments of debate about the Constitution and its meaning focusing on fundamental questions of citizenship and rights It analyzes American history through the use and misuse of the Constitution over time from early disputes about liberty and slavery to more recent quarrels over equality and dignity With a foreword by Ruth Bader Ginsburg this book s succinct and probing essays by prize winning historians including Linda Greenhouse Mary Sarah Bilder Annette Gordon Reed Eric Foner Sam Erman Julie Suk Laura Kalman and Melissa Murray provide the core of the book Their topics encompass woman suffrage school desegregation Japanese internment McCarthyism all dramatic turning points in American history Carefully selected and annotated primary sources and focused discussion questions provide teachers with the tools to bring constitutional history into the classroom with ease As this book amply demonstrates United States history is constitutional history A companion website provides additional resources for teachers

Bloody Flag of Anarchy Brian C. Neumann, 2022-04-13 Generations of scholars have debated why the Union collapsed and descended into civil war in the spring of 1861 Turning this question on its head Brian C Neumann s Bloody Flag of Anarchy asks how the fragile Union held together for so long This fascinating study grapples with this dilemma by reexamining the nullification crisis one of the greatest political debates of the antebellum era when the country came perilously close to armed conflict in the winter of 1832 33 after South Carolina declared two tariffs null and void Enraged by rising taxes and the specter of emancipation 25 000 South Carolinians volunteered to defend the state against the perceived tyranny of the federal government Although these radical Nullifiers claimed to speak for all Carolinians the impasse left the Palmetto State bitterly divided Forty percent of the state s voters opposed nullification and roughly 9 000 men volunteered to fight against their fellow South Carolinians to hold the Union together Bloody Flag of Anarchy examines the hopes fears and ideals of these Union men who viewed the nation as the last hope of liberty in a world dominated by despotism a bold yet fragile testament to humanity s capacity for self government They believed that the Union should preserve both liberty and slavery ensuring peace property and prosperity for all white men Nullification they feared would provoke social and political chaos shattering the Union destroying the social order and inciting an apocalyptic racial war By reframing the nullification crisis Neumann provides fresh insight into the internal divisions within South Carolina illuminating a facet of the conflict that has long gone underappreciated He reveals what the Union meant to Americans in the Jacksonian era and explores the ways both factions deployed conceptions of manhood to mobilize supporters Nullifiers attacked their opponents as timid submission men too cowardly to defend their freedom Many Unionists pushed back by insisting that true men respected the law and shielded their families from the horrors of disunion Viewing the nullification crisis against the backdrop of global events they feared that America might fail when the world witnessing turmoil across Europe and the Caribbean needed its example the most By closely examining how the nation avoided a ruinous civil war in the early 1830s Bloody Flag of Anarchy sheds new light on why America failed three decades later to avoid a similar fate

Snow-Storm in August Jefferson Morley, 2013-04-09 In 1835 the city of Washington simmered with racial tension as newly freed African Americans from the South poured in outnumbering slaves for the first time Among the enslaved was nineteen year old Arthur Bowen who stumbled home drunkenly one night picked up an axe and threatened his owner respected socialite Anna Thornton Despite no blood being shed Bowen was eventually arrested and tried for attempted murder by district attorney Francis Scott Key but not before news of the incident spread like wildfire Within days Washington's first race riot exploded as whites fearing a slave rebellion attacked the property of free blacks One of their victims was gregarious former slave and successful restaurateur Beverly Snow who became the target of the mob's rage With *Snow Storm in August* Jefferson Morley delivers readers into an unknown chapter in history with an absorbing account of this uniquely American battle for justice

Interpreting the Prohibition Era at Museums and Historic Sites Jason S. Lantzer, 2014-11-20 *Interpreting the Prohibition Era at Museums and Historic Sites* chronicles the rise and fall of one of the greatest attempted reforms in American History Why were Americans so worried about alcohol Why did they seek to ban an entire industry How did those involved in the trade react How did repeal come about How should we remember the noble crusade Such questions are important both for historians and museums who seek to interpret the Prohibition Era as well as for the general public who wants to know more about the Roaring Twenties and how it continues to shape the United States today Case studies cover Breweries Reformers Women Saloons both before and after Prohibition Gamblers and gumshoes This guide will help museum and history professionals make sense of a complex story relate the history and legacy of political pressure groups and help learners think about the era in new ways

Christian Nationalism in the United States Mark T. Edwards, 2018-07-05 This book is a printed edition of the Special Issue *Christian Nationalism in the United States* that was published in *Religions*

Waking Giant America In The Age Of Jackson Introduction

In today's digital age, the availability of Waking Giant America In The Age Of Jackson books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Waking Giant America In The Age Of Jackson books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Waking Giant America In The Age Of Jackson books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Waking Giant America In The Age Of Jackson versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Waking Giant America In The Age Of Jackson books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Waking Giant America In The Age Of Jackson books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Waking Giant America In The Age Of Jackson books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Waking Giant America In The Age Of Jackson books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Waking Giant America In The Age Of Jackson books and manuals for download and embark on your journey of knowledge?

FAQs About Waking Giant America In The Age Of Jackson Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Waking Giant America In The Age Of Jackson is one of the best book in our library for free trial. We provide copy of Waking Giant America In The Age Of Jackson in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Waking Giant America In The Age Of Jackson. Where to download Waking Giant America In The Age Of Jackson online for free? Are you looking for Waking Giant America In The Age Of Jackson PDF? This is definitely going to save you time and cash in something you should think about.
