Thetahealing Rhythm For Finding Your Perfect Weight:

ThetaHealing® Rhythm for Finding Your Perfect Weight Vianna Stibal, 2013-01-07 Written by the creator of ThetaHealing Vianna Stibal this is more than just a weight loss book It is about finding a real rhythm for your mind body and spirit while tapping into your inner beauty and love for yourself ThetaHealing began when Vianna realised that she could teach other people the method that she used to heal herself from a serious health condition It is now famous for being one of the most powerful energy healing techniques in the world Now for the first time Vianna has compiled a book that demonstrates how to use ThetaHealing for weight loss and reveal a strong healthy and beautiful body which you love Using the techniques in this book you will be able to select the right foods and supplements to nourish your body and enjoy the foods you love without guilt make your body think that it is exercising while you listen to music and relax release the emotions and fears that hold you back from having the body you want change your unhelpful beliefs into more productive and useful beliefs that will allow you to release your excess weight So say goodbye to calorie counting and feeling guilty and say hello to being comfortable in your own body and finding inner peace and happiness *ThetaHealing®: Digging for Beliefs* Vianna Stibal, 2019-06-18 Learn how to access the deepest layers of your subconscious thinking to identify and correct limiting beliefs and enable life changing physical and emotional healing ThetaHealing is a revolutionary healing modality devised by Vianna Stibal that taps into the brain's Theta waves to enable deep emotional and physical healing by changing our limiting beliefs Yet often we are afraid of digging to the deepest layers of our subconscious thinking and instead gloss over them with new positive affirmations or downloads but they do not replace the deeply transformative work of exploring understanding and correcting beliefs that were instilled in this life and past lives This is the principle of digging for beliefs In this essential book for any student of ThetaHealing you will learn the five vital steps of digging for beliefs how to identify core beliefs and the 10 different approaches to change them when it's appropriate to erase a belief and when to use it as a springboard for positive change common mistakes made in digging work and how to avoid them in your own practice With examples from Vianna's workshops you will soon be equipped with the right tools to dig for beliefs and enable deep life changing healing for yourself and others ThetaHealing®: You and the Creator Vianna Stibal, 2020-11-24 Essential ThetaHealing handbook for practitioners explaining how we can connect with the Creator for spiritual elevation When we enter a theta brain state we can connect to the Creator of All That Is Discover how to improve this connection to achieve deep inner healing Founded by Vianna Stibal ThetaHealing is a powerful healing modality through which we can change limiting beliefs to receive deep emotional and physical healing While in the Theta state we are able to connect with the divine energy that flows through all things The Creator of All That Is Vianna is often asked How do I know I'm connected to the Creator or if it's just my own thoughts The true answer is that to know the difference between your thoughts and divine inspiration you must first understand yourself This in depth guide for ThetaHealing practitioners will teach you how to

experience knowing yourself on an intimate level so you can recognize this difference and establish clear and enlightened communication with the Creator Vianna shares powerful teachings downloads exercises and her own experiences to illustrate how to recognize the belief systems inner aspects and subconscious selves preventing you from fully bonding with the energy of the Creator and how to navigate and understand your own mind The Creator always communicates from a place of pure perfect love and Vianna details a powerful road map for experiencing and strengthening this connection so that you too can become limitless

ThetaHealing® Vianna Stibal,2020-01-21 Discover the worldwide phenomenon of ThetaHealing and how it can help you to achieve transformational healing in this revised and updated edition of Vianna Stibal s definitive guide In 1995 Vianna Stibal was diagnosed with a serious health condition When conventional and alternative medicine failed her she discovered a simple technique that cured her illness and sparked a worldwide phenomenon ThetaHealing is essentially applied quantum physics Using a theta brain wave which until now was believed to be accessible only in deep sleep or yogi level meditation the practitioner is able to connect with the energy of All That Is the energy in everything to identify issues with and witness healings on the physical body and to identify and change limiting beliefs In this revised and updated edition you will discover the belief and feeling work that can instantly change the thinking within you that creates illness the 7 Planes of Existence a concept that allows you to connect to the highest level of love and energy of All That Is how to develop the ability to change on all levels physically mentally emotionally and spiritually using the Creator of All That Is **Seven**

Planes of Existence Vianna Stibal,2015-01-26 First developed twenty years ago by Vianna Stibal ThetaHealing is essentially applied quantum physics Using a theta brain wave which until now was believed to be accessible only in deep sleep or yogi level meditation the practitioner is able to connect with the energy of All That Is the energy in everything to witness healings of the physical body and to identify and change limiting beliefs This book is for those who have already started to experience the magic of this energy healing modality and wish to deepen their understanding of the Seven Planes of Existence the philosophy behind the creation of ThetaHealing Vianna presents exciting new information to help you take your skill with this work to the next level and brings the reader into dimensions that she believes to be the beginnings of life itself on a journey that leads outward past the universe to transform beliefs showing that with a theta state of mind it is possible to connect to a Divine Energy before it becomes anything in this universe

Weight Reduction & much more! Lorraine Knight,2011 This book was created to bring the benefits of Theta healing to everyone that ever had a problem with weight Having discovered the benefits of Theta healing for myself seeing that it was the tool that everyone can benefit from and beating my own battle with yo yo dieting I created a one day workshop to bring it to everyone to experience the healings for themselves Based on this workshop the book is full of practical examples to help you understand and clear the beliefs that are stopping you reach your ideal weight

Weight Consciousness Helen Meader,2009-02-20 Weight Consciousness is seeing the achievement of your ideal or perfect weight as a magical adventure where your weight goal is attained with ease and grace Working with

weight issues is a journey a journey of love a journey of loss a journey of forgiveness and an understanding of our immense capacity for kindness and healing It is a journey to your soul s purpose Excessive weight is a sign of disharmony in your life When there is disharmony at some level in your life this can usually be seen at the body level Weight Consciousness explores areas where beliefs impact weight loss success This book identifies over 700 unsupportive beliefs and 350 plus new beliefs and feelings to embody to support your journey This book is a fabulous tool for practitioners who work with belief systems and can also be used by non practitioners to identify areas of personal conflict that are impacting their weight challenges
