Remembering: the Soul of You Meyrene Cowell, 2021-10-27 In 1998 someone asked me to contemplate the question Who am I When I removed all the labels such as daughter wife mother and teacher and then even my name too I realised how vulnerable I was I wondered what was left of me That was the catalyst that began my search for the Greater Me my eternal Spirit self As I searched listened and read I gained new belief systems that were wider than religion and more liberating than my social conditioning The greatest freedom came though when I finally understood the language of symbols especially those used in the ancient Marseilles Tarot Pack I spent almost twenty years exploring the blueprint of the archetypes that are embedded in these cards Each of the 22 major arcana cards took me on a deep souljourney towards consciousness knowledge and a change of heart What I discovered was that I am more than I
