I didn't realize the magnitude of how naive we were as women when it came to men. However, I was equally disturbed by the fact that no one was addressing what men needed to do to rectify this relationship thing. Relationships don't simply fail because of women; men play a vital role too. I could have easily written one hundred mistakes that men make, but I chose to focus on the twenty-five mistakes that I hear repeatedly from married and single women. It is my hope that this book will cultivate a more balanced conversation between men and women. More importantly, that this book will shed some light for men on their own relationships and that they will begin to take the necessary steps to foster and create the ultimate love.

Harvey also provides new tools, including a test to help couples assess their readiness for marriage and a 90-day abstinence calendar to encourage emotional connection before physical intimacy. Through candid anecdotes and advice, **Act Like a Lady, Think Like a Man** is not just about understanding men but also about setting realistic expectations and empowering women to take control of their relationships. It's a compelling and relatable guide that combines humor with practical wisdom, offering a clearer perspective on what men really think about love, commitment, and relationships.
