This Divided Island Death Lankan:

This Divided Island Samanth Subramanian,2015-12-15 Original edition has subtitle stories from the Sri Lankan war

This Divided Island Samanth Subramanian,2015-12-15 Samanth Subramanian has written about politics culture and history for the New York Times and the New Yorker Now Subramanian takes on a complex topic that touched millions of lives in This Divided Island In the summer of 2009 the leader of the dreaded Tamil Tiger guerrillas was killed bringing to an end the civil war in Sri Lanka For nearly thirty years the war's fingers had reached everywhere leaving few places and fewer people untouched What happens to the texture of life in a country that endures such bitter conflict What happens to the country's soul Subramanian gives us an extraordinary account of the Sri Lankan war and the lives it changed Taking us to the ghosts of summers past he tells the story of Sri Lanka today Through travels and conversations he examines how people reconcile themselves to violence how the powerful become cruel and how victory can be put to the task of reshaping memory and burying histories

The Lesser Jihads Phil Gurski,2017-08-25 The Lesser Jihads examines conflict through the lens of Islamist terrorist groups It outlines how terrorists see war as well as what historical and current events and ideas they use not only to justify violence but also encourage others to participate Following a brief examination of recent wars in which Islamist terrorist groups played a significant role Afghanistan Somalia Bosnia Iraq and Syria the text describes ongoing conflict in 22 countries across Asia Africa and Europe It shows how Jihadists use their propaganda to continue what they see as their obligation to fight to protect Islam and how extremist messaging interprets these conflicts It identifies and explains the connectivity of these conflicts framing them into a global world view In light of the ongoing war in Syria the text provides a timely warning that other wars may grow in lethality and scope arguing that there is enough Muslim suffering and perceived international aggression against Islam to feed future conflict Bringing together in one volume different conflicts where terrorist groups are active worldwide it introduces the world and thinking of Jihadists while highlighting a number of seldom reported cases

An Island's Eleven Nicholas Brookes,2022-12-12 From Sathasivam to Sangakkara Murali to Malinga Sri Lanka can lay claim to some of the world's most remarkable cricketers larger than life characters who thumbed convention and played the game their own way More so than anywhere else in the world Sri Lankan cricket has an identity This is the land of pint sized swashbuckling batsman on the fly innovators and contorted cryptic spinners On the field of play Victorian ideals of the past collide with madcap tropical hedonism to create something dizzying Cricket is Sri Lanka and Sri Lanka is cricket We all know the story of the 96 World Cup how a team of unfancied amateurs rose from obscurity to the top the world doing so with such swagger that they changed the way the game was played Yet the lore of Sri Lankan cricket stretches back much further In the early days matches between colonists and locals imbued cricket with a nationalistic drive Ashes bound ships stopping over in Colombo brought the world's biggest stars from Bligh and Bradman to Grace and Grimmet More recently Sri Lanka has had to face the triumphs and tragedies that come when cash flows freely into the

gentleman's game An Island's Eleven tells this story for the first time focusing on the characters and moments that have shaped the game forever **Time Will Write a Song for You** Kannan M, 2014-12-18 The three decade long conflict tore apart the Tamils world in Sri Lanka This anthology framed by war brings together poems stories and a memoir by Tamil writers living there and in the diaspora Wide ranging and from recent decades till the war's ending these pieces have been translated with great skill for the first time into English Stark and sometimes lyrical distilling memory history mythology and classical literary tropes they powerfully echo the Tamils sorrows and deep fears their longings and hopes for tomorrow Laments about youths felled by gunfire their forced disappearances the loss of family and homes desecration of shrines repeated displacements becoming international refugees alternate with remembrance of the beautiful forests and sea of celebrations of Tamil language and culture and the compassion of women providing people succour Accompanied by an introduction to set the context this rich and moving volume reveals the spirit of a wounded island and brings its voices to a new audience *The Musical Gift* Jim Sykes, 2018-08-31 The Musical Gift tells Sri Lanka's music history as a story of giving between humans and nonhumans and between populations defined by difference Author Jim Sykes argues that in the recent past the genres we recognize today as Sri Lanka's esteemed traditional musics were not originally about ethnic or religious identity but were gifts to gods and people intended to foster protection and or healing Noting that the currently assumed link between music and identity helped produce the narratives of ethnic difference that drove Sri Lanka's civil war 1983 2009 Sykes argues that the promotion of connected music histories has a role to play in post war reconciliation The Musical Gift includes a study of how NGOs used music to promote reconciliation in Sri Lanka and it contains a theorization of the relations between musical gifts and commodities Eschewing a binary between the gift and identity Sykes claims the world's music history is largely a story of entanglement between both paradigms Drawing on fieldwork conducted widely across Sri Lanka over a span of eleven years including the first study of Sinhala Buddhist drumming in English and the first ethnography of music making in the former warzones of the north and east this book brings anthropology's canonic literature on the gift into music studies while drawing on anthropology's recent ontological turn and the new materialism in religious studies **Post-war Dilemmas of Sri Lanka** S. I. Keethapongcalan, 2019-03-14 By investigating Sri Lanka as a case study this book examines whether democracy compared to authoritarianism is conducive to post war reconciliation The research founded on primary as well as secondary data concludes that political systems have little to do with the success or failure of post war ethnic reconciliation The Sri Lankan case indicated that post war reconciliation is more contingent on the readiness of the former enemies to come together Readiness stems from for example satisfaction in the way issues have been resolved confidence in the other party's intentions and the compulsion to coexist If the level of satisfaction confidence and the compulsion to coexist are low the readiness to reconcile will also be low The end of the war had a profound impact on post war governance and ethnic relations in Sri Lanka Hence the volume provides an in depth analysis of the factors that led to

the military victory of the Sri Lankan government over the Liberation Tigers of Tamil Eelam LTTE in 2009 The chapters delve into the nexus between governance and reconciliation under the first two post war governments Reconciliation did not materialize in this period Instead new fault lines emerged as attacks on the Muslim community escalated drastically This book provides a comprehensive analysis of the nature of relations between the Sinhalese and Muslims and the Tamils and Muslims as well as the nature and causes of post war anti Muslim riots

Routledge Handbook of Peacebuilding and Ethnic Conflict Jessica Senehi, Imani Michelle Scott, Sean Byrne, Thomas G. Matyók, 2022-08-22 This handbook offers a comprehensive analysis of peacebuilding in ethnic conflicts with attention to theory peacebuilder roles making sense of the past and shaping the future as well as case studies and approaches Comprising 28 chapters that present key insights on peacebuilding in ethnic conflicts the volume has implications for teaching and training as well as for practice and policy The handbook is divided into four thematic parts Part 1 focuses on critical dimensions of ethnic conflicts including root causes gender external involvements emancipatory peacebuilding hatred as a public health issue environmental issues American nationalism and the impact of the COVID 19 pandemic Part 2 focuses on peacebuilders roles including Indigenous peacemaking nonviolent accompaniment peace leadership in the military interreligious peacebuilders local women and young people Part 3 addresses the past and shaping of the future including a discussion of public memory heritage rights and monuments refugees trauma and memory aggregated trauma in the African American community exhumations after genocide and a healing centered approach to conflict Part 4 presents case studies on Sri Lanka's postwar reconciliation process peacebuilding in Mindanao the transformative peace negotiation in Aceh and Bougainville external economic aid for peacebuilding in Northern Ireland Indigenous and local peacemaking and a continuum of peacebuilding focal points The handbook offers perspectives on the breadth and significance of peacebuilding work in ethnic conflicts throughout the world This volume will be of much interest to students of peacebuilding ethnic conflict security studies and international relations

The Prevention of Torture Danielle Celermajer, 2018-09-06 There is an urgent need to analyze and assess how we prevent torture against the background of a rigorous analysis of the factors that condition and sustain it Drawing on rich empirical material from Sri Lanka and Nepal The Prevention of Torture An Ecological Approach interrogates the worlds that produce torture in order to propose how to bring about systemic institutional and cultural change Critics have decried human rights approaches failure to attend to structural factors but this book seeks to go beyond a stance of criticism to take up the positive project of reimagining human rights theory and practice It discusses key debates in human rights and political theory as well as the challenges that advocates face in translating situational analyses into real world interventions Danielle Celermajer develops a new ecological framework for mapping the worlds that produce torture and thereby develops prevention strategies

A Sense of Viidu Niro Kandasamy, Nirukshi Perera, Charishma Ratnam, 2020-01-20 This book is the first compilation of the experiences of the Sri Lankan Tamil diaspora in Australia It explores the theme of home from what is left

behind to what is brought or re created in a new space and all the complex processes that ensue as a result of leaving a land defined by conflict The context of the book is unique since it focuses on the ten year period since the Sri Lankan civil war ended in 2009 Although the war has officially come to an end conflict continues in diverse and insidious forms which we present from the point of view of those who have left Sri Lanka The multidisciplinary nature of the book means that various aspects of Sri Lankan Tamil experiences are documented including trauma violence resettlement political action cultural and religious heritage and intergenerational transmission This book draws on qualitative methods from the fields of history geography sociology sociolinguistics psychology and psychiatry Methodological enquiries range from oral histories and in depth interviews to ethnography and self reflexive accounts To complement these academic chapters creative contributions by prominent Sri Lankan artists in Australia seek to provide personalised and alternative interpretations on the theme of home These include works from playwrights novelists and community arts practitioners who also identify as human rights activists

The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Genocides and Xenophobia in South Asia and Beyond Rituparna Bhattacharyya, 2023-07-07 This volume foregrounds some of the unknown or lesser known incidents of xenophobia and genocide from India Bangladesh Sri Lanka South Africa and Rwanda It critically analyses the cultural and structural contexts triggering these various forms of genocides and xenophobia and situates them within modern histories of violence and human tribulations The book discusses various non Western case studies which include the communal violence incited by anti CAA protests in Delhi the expulsion and displacement of Kashmiri Pandits xenophobic attitudes against illegal immigrants in Assam genocide in Sylhet during the Liberation War of Bangladesh the 1994 genocide in Rwanda and incidences of human rights violations across the world A comprehensive and transdisciplinary text the book will be useful for students and researchers of human geography sociology

political science social work anthropology colonialism and postcolonialism nationalism imperialism human rights and history

The SAGE Handbook of Political Science Dirk Berg-Schlosser, Bertrand Badie, Leonardo Morlino, 2020-02-11 The SAGE Handbook of Political Science presents a major retrospective and prospective overview of the discipline. Comprising three volumes of contributions from expert authors from around the world, the handbook aims to frame, assess, and synthesize research in the field, helping to define and identify its current and future developments. It does so from a truly global and cross-area perspective. Chapters cover a broad range of aspects, from providing a general introduction to exploring important subfields within the discipline. Each chapter is designed to provide a state-of-the-art and comprehensive overview of the topic by incorporating cross-cutting global interdisciplinary and where this applies, gender perspectives. The Handbook is arranged over seven core thematic sections: Part 1 Political Theory; Part 2 Methods; Part 3 Political Sociology; Part 4 Comparative Politics; Part 5 Public Policies and Administration; Part 6 International Relations; Part 7 Major Challenges for Politics and Political Science in the 21st Century. **Precarious Balance** Bardwell L. Smith, 2022-08-18

Since the third century BCE, when the king of Sri Lanka converted to Buddhism, the island nation off the southern coast of India has represented a central interest of Buddhist scholarship. The association between its politics and religious life has not always remained harmonious, however, and has contributed to the contemporary turmoil that threatens to tear it apart. In this valuable book, renowned religious scholar Bardwell Smith elucidates the history of Buddhism in Sri Lanka from the time of one of its earliest rulers through to its present-day strife. The essays collected here for the first time explore various themes of Sri Lanka's long history in novel and constructive ways. Topics include Sinhala Buddhists' sense of manifest destiny arising from Sri Lanka's oldest historical chronicles, the Mahavamsa and the Dipavamsa; the nationalist implications of the chronicles' depiction of the third-century Mahavihara monastery as the site of original Buddhism and concepts of order and legitimation of power in ancient Ceylon. With a new introduction and final chapter, Smith sheds fresh light on today's Sri Lanka, connecting historical studies with contemporary issues. **Library Lin's Curated Collection of Superlative Nonfiction** Linda Maxie, 2022-05-05

Trust a librarian to help you find books you'll want to read. Library Lin's Curated Collection of Superlative Nonfiction is a librarian's A list of nonfiction books organized by subject area, just like a library. Linda Maxie, Library Lin, combed through 65 best books lists going back a century. She reviewed tens of thousands of books, sorted them according to the Dewey Decimal Classification system, and selected an entire library's worth for you to browse without leaving home. Here you'll find summaries of outstanding titles in every subject, suggestions for locating reading material specific to your needs and interests. In this broad survey of all the nonfiction categories, you will find titles on everything from the A-bomb to Zen Buddhism. You might find yourself immersed in whole subject areas that you never thought you'd be interested in. Old Stacks, New Leaves Sonal Khullar, 2023-05-09 A deep dive into the visual forms, material contexts, social lives, and global circulations of books. In the twenty-first century, debates on the future of books and print culture have intensified with the rise

of digital technologies and the contemporary art world has witnessed an explosion of interest in the book form. Amid this artistic and intellectual activity, there has been little scrutiny of book arts in South Asia and their particular ontologies, histories, and genealogies. This volume weaves together scholarly essays, original artistic projects, and works of creative nonfiction to trace a history of illustrated books in South Asia from 1100 CE to the present. From Nepalese palm leaf manuscripts and imperial Mughal albums to lithographed cookbooks and mimeographed magazines, contributors examine a diverse range of materials rarely if ever studied together. Thematically organized, the chapters stage a critical dialogue between artists and scholars, emphasizing the visual, material, aesthetic, and phenomenological dimensions of books. Against narratives of the death of books in a digital age, this volume argues for the book as a vital form and dynamic practice. Written in a lucid and lively style, it will be of interest to scholars, curators, artists, critics, students, museum visitors, and readers of contemporary comics and graphic novels.

The Rough Guide to Sri Lanka: Travel Guide eBook Rough Guides, 2024-07-01. This Sri Lanka guidebook is perfect for independent travellers planning a longer trip.
