Seasons of the Sacred
Llewellyn Vaughan-Lee, 2021-05-01 Seasons of the Sacred weaves together poems images and stories of Spring Summer Autumn and Winter reconnecting us to our roots in the cycles of nature and our own soul As our world appears more and more out of balance our destruction of the natural world increasing there is a vital need to remember what is essential simple and sacred Likening Spring to falling in love Summer with abundance and spiritual awakening and Autumn with fruition and wisdom this book continuously reflects the profound resonance of humanity within nature Never more relevant than now the chapter on Winter helps the reader remember what is most essential showing how there is meaning and even peace amidst the most devastating losses and how all life belongs to these deeper patterns of change The book draws from such a variety of sources such as Rumi Hafiz Lao Tzu Rabia Julian of Norwich T S Eliot and others Each chapter opens with a unique woodcut or engraving image further illustrating the beauty of our seasons Vaughan Lee adeptly connects the reader to the deepest envisioning of contemporary challenges Climate catastrophe refugees cultural degradation and political divisiveness are all contextualized within natural cycles of birth loss and transition and the reader is guided to listen through the fear and anxiety of our age to the deeper ground of belonging that calls from even the most destitute inner and outer landscapes Seasons of the Sacred is Llewellyn Vaughn Lee's fifth contribution to his spiritual ecology series which places the human story within the story of the Earth and compels the examination of attitudes beliefs and habits in relation to the ongoing desecration ecological devastation and potential restoration of our common home Vaughan Lee encourages reconnecting with the Earth in this heartfelt compilation of essays poems and illustrations Suitable for readers of all spiritual persuasions Vaughan Lee's soothing observations will inspire a more mindful contemplation of Earth's rhythms Publishers Weekly

Seasons of the Sacred is a beckoning down into the simple rhythms of nature With his guiding eloquence Llewellyn Vaughan Lee moves us into conversation with the sacred calling our awareness to the concealed gifts of each season Drawing on the ancient poetry of Rumi Hafiz Julian of Norwich Wordsworth and others we can't help but fall into step with the numinous found in ordinary life Toko pa Turner author of *Belonging Remembering Ourselves Home*

The Poet of Mirrors
, 2022-08-01 Mirza Abdolqader Azimabadi penname Bee del one who has lost or surrendered his heart was born in Putna India in 1644 CE and died in Delhi in 1721 He spoke Bengali wrote poetry in Persian Farsi and was familiar with Arabic Urdu Bengali and Sanskrit One of the most prolific and regarded poets of his day his style is considered the glory of Persian poetry of Central Asian Indian origin Among many ethnic groups outside the present borders of Iran whose culture mysticism and literature is influenced by the Iranian culture and language Bee del is classified alongside Ha fezan honor conferred on very

few Bee del composed his first poems at age 10 As he became familiar with the teachings of the Sufis he continued to frequent their gatherings throughout life Their literature influenced both his work and his growing involvement in things of the spirit Traveling widely in India Bee del became familiar with the ages old Vedic teachings which are strongly reflected in his work As a mystic and dedicated practitioner of the Way Bee del refused to compose poems in praise of royalty or the rich and powerful which was common practice at the time Although Bee del was and still is a favorite to many the available material about and from him is rare especially as his mystical understanding often required skillful editing to make it available to the average Farsi reader Still Bee del s relevance to our times is obvious his message is informed by a universal regard for the inner life and potential of humans regardless of geography ethnicity or religion which is a basic tenet in all genuine spiritual teachings including Sufism As a Sufi poet Bee del urges us to attend to our most important task experiencing as opposed to reading hearing about one s inner Origin Essence and thus realize the true purpose of our existence

The Winds Of Grace ,2020-01-01 Drawing from the finest and most authentic texts available in the original Persian Farsi language Vraje Abramian offers this extensive collection of stories teachings and poetry from both major and unknown saints and mystics in the Sufi tradition Winds of Grace is a fresh and extensive collection that will both instruct and encourage individuals on the path of love and transformation Readers today need such roadmaps of sanity and wisdom pointing the way through life s obstacles and detours Indeed reading the works of saints and sages serves as a GPS for today s wayfarer The reader will find selections from today s most well recognized and highly acknowledged Masters like Rumi and Hafiz as well as hidden saints such as Sheikh Biabanaki and Sheikh Ali Mesri More uniquely however this book also introduces us to teachings and anecdotes of the obscure hermit the mad but unknown dervish the crazy naked ascetic Whether the mainstream punished tolerated or ignored these crazy wise people those who knew something about the pain they spoke of venerated them as saints Centuries ago many of these voices offered a shock to his or her contemporaries jarring them from the complacency that makes automatons of human beings Other voices contained a paradoxical twist on the religious life or practice of the times yet were soaked with an age old wisdom that is still vital to spiritual practitioners today The translator and editor Vraje Abramian advises readers that these secret sages often had to protect themselves from the powers that be in their society and therefore cloaked their messages in words that only disciples and initiates or those with a vulnerable mind and open heart could actually decipher He further reminds us that the language adopted by Sufi teachers was designed to break the habits that normally deaden our sensitivities Abramian has therefore selected pieces that remind us to wake up to take stock to continue carefully observing ourselves And by vigilant sequencing of topics his book gently guides readers toward the essence truths or core teachings of these wise ones The translator is uniquely qualified to make this offering to religious studies today As an Iranian by birth a lifelong practitioner of spiritual disciplines and an accomplished teacher of English his renderings are characterized by academic authority poetic word craft and spiritual

wisdom *MOTHER GURU* Red Hawk, 2014-08-20 Mother Guru is a collection of refined devotional poetry in the tradition of Hafiz and Rumi whose poems of love continue to inspire millions throughout the world The fact that this poetry appears in contemporary dress is more gracious still The author Red Hawk is a widely published and awardwinning poet professor of English at the University of Arkansas at Monticello He is also an unabashed disciple of a great contemporary Master Mister Lee Lozowick 1943 2010 and one who is willing to bare that discipleship in poetry written as prayer expressly for and with his guru in mind and heart In this sense Mother Guru is a daring book and courageous as the author overlooks scholarly reputation trusting rather in the love that infuses what he writes He also risks the opprobrium of those who limit the expression of the spiritual to sweet words and lofty sentiments These are poems of a truly broken heart pleading poems begging poems prayers and curses bawdy ironic hilarious tough minded sometimes angry often just broken Few books of poetry today attempt to traverse this razor s edge fewer still can do so with respect dignity and passion Mother Guru is a guidebook to such a challenge and offers inspiration and a call to profound honesty to the sincere seeker of any mystical tradition

Sweet Lunacy , 2020-05-01 Divine Intoxication is a common theme in Middle Eastern poetry The wine on which the seeker becomes drunk is nothing less than the nectar of love Such inebriation however often produces unconventional behavior even hints of madness marking the lover as one apparently lost to the ordinary world In this mood Kahlil Gibran wrote Only an idiot and a genius break man made laws and they are the nearest to the heart of God And so the poetry written by or about these drunkards is often saturated with perennial wisdom with stark reflections of the truth in vino veritas and with a variety of prayerful longing that is found throughout all mystical traditions Sweet Lunacy contains works by some of the most well known mystical Sufi poets from the 11th through the 14th century including Rumi Attar and Jami But the reader will also meet lesser known authors here whose messages both unique and fresh are equally inspiring The poets in this collection are those who for reasons which might not seem altogether reasonable to our everyday mind and logic were willing and able to question this mystery called life and unwilling to accept readymade answers Vraje Abramian born in Iran and a native speaker of Farsi has worked to keep his translations as close to the meaning and cultural flavor of the originals as possible He has researched Wise Fools in various cultures religions in the Near and Middle East Central Asia and India While anecdotes folk tales and stories about spiritual ecstasies are abundantly present in Sufi literature particularly no other single work focuses essentially on such profound lunacy and intoxication as this one does Following the Introduction the book is divided into three parts The Obstacle Mind The Battleground Heart and Deliverance The Journey Abramian has included poems and stories within each section that bring the reader s attention to these key distinctions in the mystical process While the subject matter is rare and refined the author is clear that every human being nurses within his or her heart a nostalgia remote and nameless a longing for something they cannot express This fine collection is valuable not only for the refinement of poetic content but also for the spiritual guidance of the great mystics whose voices are made available herein Sweet

Lunacy is a must have for lovers seekers of truth and connoisseurs of beauty alike Nobody, Son of Nobody Vraje Abramian,2015-06 Readers who swoon within the love intoxicated poetry of Rumi must read the poetry of Shaikh Abil Kheir This renowned but little known Sufi mystic of the 10th century preceded Rumi by over two hundred years on the same path of annihilation into God He referred to himself as Nobody Son of Nobody his expression of the reality that his life was subsumed in the Divine and that the individual self had disappeared in the heart of God Under this cloak is nothing but God Introduce me as Nobody Son of Nobody These are 195 short selections translated from the original Farsi These poems deal with the longing for union with God the desire to know the Real from the False the inexpressible beauty of Creation when seen through the eyes of Love and the many attitudes of heart mind and feeling that are necessary to those who would find the Beloved The Friend in this life **Der Rhythmus des Heiligen** Llewellyn Vaughan-Lee,2022-09-06 Das Buch Der Rhythmus des Heiligen vereint Gedichte Bilder und Texte zu Fr hling Sommer Herbst und Winter Es erinnert uns an unseren Platz im gr eren Rhythmus des Lebens So reflektiert es unentwegt die tiefe Resonanz der Menschheit mit der Natur und setzt den Fr hling mit Verliebtsein den Sommer mit F lle und spirituellem Erwachen den Herbst mit Reife und Weisheit gleich Wichtiger denn je ist das Kapitel ber den Winter Es zeigt den Leserinnen und Lesern worauf es wirklich ankommt sogar wenn das Zeitliche wie Herbstbl tter weggefeht wird und vermittelt die Zuversicht dass sich auch inmitten schrecklichster Verluste Sinn und sogar Frieden finden lassen Wie bei anderen B chern aus seiner Reihe ber die spirituelle kologie setzt Llewellyn Vaughan Lee die Geschichte der Menschheit in den Kontext der Geschichte der Erde und hilft den Leserinnen und Lesern das gemeinsame Zuhause und dessen heilige Natur in diesem gr eren Zusammenhang wiederzuentdecken *The Publishers Weekly* ,2006 **American Book Publishing Record** ,2005 **SOCRATES** Farhat Bano Beg ,Furqan Aalam Beg,000 0000,Dr. Shazia Siddiqui Khan,Navya.
