This Place On Third Avenue The New York Stories Of John McNulty:

This Place on Third Avenue John McNulty, 2002-05-09 A collection of hilarious poignant and eternal stories by the acclaimed New Yorker writer captures the off beat quirky and amusing characters that he encountered at Tim and Joe Costello's Irish Saloon from cab drivers horseplayers and glamour girls to has beens never weres and dreamers From 1937 until his death in 1956 John McNulty walked many beats for The New Yorker but his favorite and the one he made famous was Tim and Joe Costello's a bustling Irish saloon at Third Avenue and Forty fourth Street The place is gone now it was leveled and replaced by the lobby of a skyscraper in 1973 but it and its hard drinking mid century patrons live on in these funny poignant immortal sketches and stories McNulty's people are drawn from life and draw the breath of life What a marvelous writer McNulty was said Brendan Gill when they tore down Costello's His stories will survive and perhaps seem all the more remarkable to a later generation for the reason that both the time and the place they celebrated have disappeared without a trace brick and stone as thoroughly ground to dust as man There is a short shelf of American classics born in the talk of ordinary folk Mark Twain's sketches Ring Lardner's baseball yarns Studs Terkel's Chicago and Joseph Mitchell's reports from the waterfront With This Place on Third Avenue that shelf grows one book longer *Irish-American*

Autobiography James Silas Rogers, 2017-01-27 This lively survey of the ever changing Irish American experience contains many perceptive and sometimes surprising observations The Irish Times Irish American Autobiography explores the evolution of Irishness in America through memoirs that describe define and redefine what it means to be Irish From athletes and entertainers to saloon keepers community activists and Catholic priests Irish Americans of all stripes share their thoughts and perceptions on their ever evolving ethnic identity Poet and Irish studies specialist James Silas Rogers begins his evocative analysis with celebrity memoirs by athletes like boxer John L Sullivan and ballplayer Connie Mack written when the Irish were eager to put their raffish origins behind them Later he traces the many tensions registered by lesser known Irish Americans who've told their life stories South Boston step dancers set themselves against the larger culture framing their identity as outsiders looking in Even the classic 1950s sitcom The Honeymooners speaks to the poignant sense of exclusion felt by its creator Jackie Gleason Rogers also examines the changing role of Catholicism as a cultural touchstone for Irish Americans and examines the painful diffidence of priest autobiographers Irish American Autobiography becomes in the end a story of a continued search for connection documenting an ethnic fade that never quite happened **40 Perfect New York**
