## **This Time We Win Revisiting The Tet Offensive:**

**This Time We Win** James S. Robbins, 2010 James S Robbins provides an antidote to the flawed Tet mythology still shaping the perceptions of American military conflicts against unconventional enemies and haunting our troops in combat In his re examination of the Tet Offensive Robbins analyzes the Tet battles and their impact through the themes of terrorism war crimes intelligence failure troop surges leadership breakdown and media bias Why South Vietnam Fell Anthony James Joes, 2014-10-16 Between 1954 and 1963 President Ngo Dinh Diem against great odds but with U S assistance built a functioning South Vietnamese state But gravely misled by American journalists in Saigon the U S embassy in league with second tier members of the State Department urged certain South Vietnamese generals to stage a coup against Diem resulting in his brutal murder Despite the instability after Diem s murder the South Vietnamese Army performed well during the 1968 Tet Offensive and the 1972 Easter Offensive In proportion to population South Vietnamese Army losses were much greater than American losses Nevertheless the American media ignored South Vietnamese sacrifices and completely misrepresented the consequences of the Tet Offensive The disastrous peace agreement the U S forced on the South Vietnamese in 1973 made continuing American support vital But Congress began to slash aid to South Vietnam so that its soldiers had to fight on with dwindling supplies of fuel ammunition and medicine Under these circumstances the South Vietnamese attempted to regroup their army into the provinces around Saigon an effort that ended in disaster The final chapter reflects on the meaning of the conflict and the tragedy that abandonment by Washington and conquest by Hanoi brought upon the South Vietnamese people An Appendix presents a strategy for preserving a South Vietnamese state with the commitment of a relatively small number of U S forces **Professional Journal of the United States Army**, 2011-05

Review of Current Military Literature, 2011 **Military Review**, 2011 *The Writers Directory*, 2013 **The Real Custer** James S. Robbins, 2014-06-23 The Real Custer takes a good hard look at the life and storied military career of George Armstrong Custer from cutting his teeth at Bull Run in the Civil War to his famous and untimely death at Little Bighorn in the Indian Wars Author James Robbins demonstrates that Custer having graduated last in his class at West Point went on to prove himself again and again as an extremely skilled cavalry leader Robbins argues that Custer s undoing was his bold and cocky attitude which caused the Army s bloodiest defeat in the Indian Wars Robbins also dives into Custer s personal life exploring his letters and other personal documents to reveal who he was as a person underneath the military leader The Real Custer is an exciting and valuable contribution to the legend and history of Custer that will delight Custer fans as well as readers new to the legend **On Their Own** Joyce Hoffmann, 2008-06-24 Staring back into another time Called to the colors Going against the grain Challenging the conventional wisdom Foreign journalists report the war The war on television A force of nature A place in history *Erasing America* James S. Robbins, 2018-08-21 A brilliant book based on a brilliant and true concept TUCKER CARLSON Remember America There may come a time when no one will There will be no monuments

to American heroes no stories that will praise them The United States will have become a dark chapter in human history best forgotten In Erasing America Destroying Our Future by Erasing Our Past releasing August 21st James Robbins reveals that the radical Left controls education the media and the Democratic party and they seek to demean demolish and relentlessly attack America s past in order to control America s present This toxic movement has already brainwashed an entire generation and is rapidly changing the cultural historical and spiritual bonds of our nation American exceptionalism history and patriotism are a magnificent legacy Robbins warns but to pass it on to our children we must view the past with understanding the present with gratitude and the future with hope Wondering if it s really that bad Here are some facts you ll learn in Erasing America At Yale residential Calhoun College is being renamed after students complained about the pro slavery sentiments of John C Calhoun In Massachusetts Simmons College claims saying God bless you is an Islamophobic microaggression In Virginia school districts seek to ban To Kill a Mockingbird and The Adventures of Huckleberry Finn because parents complained about the racial slurs in the books Across the country Christmas songs and movies are labelled as racist and sexist and banned In California a San Francisco school district wants to rename George Washington High School because our first president owned slaves In Arkansas a monument engraved with the Ten Commandments was smashed to smithereens by a protester in a Dodge Dart And in parks and squares across the South statues of confederate generals and soldiers are disappearing Robbins wants you to understand the critical situation in America and to use Erasing America to equip your fellow Americans against this Leftist propaganda before it s too late
