

THOSE INCREDIBLE CHRISTIANS

BY DR. HUGH J. SCHONFIELD

AUTHOR OF THE PASSOVER PLOT

Those Incredible Christians

Nancy L. Kuehl

Those Incredible Christians:

Those Incredible Christians Hugh J. Schonfield, *Those Incredible Christians* is written as a companion to the bestseller *The Passover Plot*. It continues the story after Jesus crucifixion to the movements surrounding the early disciples and how the message of the gospels developed. It demonstrates with considerable evidence how the understanding of the role and person of Messiah became adapted and corrupted and how the conflicts and power struggles with the Church at Rome and the Roman Empire emerged. Schonfield writes as an objective historian rather than as a theologian and ruthlessly tries to get behind the intensively researched data to give us a clearer picture of what happened in those times. Learning from history we will find many parallels in today's world and maybe come to a clearer understanding of what is driving our society today.

Those Incredible Christians Hugh Joseph Schonfield, 1968 *Those Incredible Christians* Schonfield Hugh J. (author), 1901 **Those Incredible Christians** Hugh Joseph Schonfield, 1985 *Those Incredible Christians [by] Hugh Schonfield* Hugh Joseph Schonfield, 1968 **Those Incredible Christians** Hugh J. Schonfield, 1969 *A Life for Mankind* Stephen A. Engelking, This book could have started with 'Once upon a time there was a Jewish boy who had a dream because it describes the life of a personality who was driven by a strong destiny fueled by the discovery of Jesus as the Messiah of history and with a plan to save mankind from self destruction. He became a renowned biblical researcher, the founder of a world nation and was to influence both the meek and the mighty. He was a radical thinker and a man of action supported by a wife of equal strength and determination. Often the subject of the most vitriolic and unjustifiable attacks, he remained true to his vision and principles throughout his life. By unveiling considerable previously unpublished sources, the real man behind the Passover Plot is brought alive to the reader.' *The Living Church*, 1968 *Terrorism, Islam, and Christian Hope* James B. De Young, 2004-12-09 **Becoming Christian** Nancy L. Kuehl, 2014-10-06 The evolution of Christianity as it is known today began in Antioch but as *Becoming Christian* reveals it had once been quite different. While most histories gloss over the earliest period of Christianity to begin with the Christian establishment, this book uncovers the little known history within the gap between 31 and 70 CE when the Jesus Movement was headquartered in Jerusalem under the authority of James bar Joseph, the brother of Jesus, and the apostles served as missionaries carrying the teachings of Jesus throughout Judea, Galilee, and Samaria. By the year 66 CE, James and most of the apostles had died along with much of their teaching. Paul's spiritual Jesus had gained a foothold among Gentiles in Antioch and throughout the West, including Rome, where it finally blossomed into a powerful political hierarchy. No longer was Jesus' humanity important to the church. With the death of James, the original movement fell into disarray and split into factions, each developing its own doctrines. Thus, there arose numerous Christianities during the first two centuries, many of which had become heretical. The Jesus Movement had now become irrelevant to the church, and as *Becoming Christian* reveals, by the third century it would be publicly eradicated for all time.

Custodians Of Truth Tim Wallace-Murphy, Marilyn Hopkins, 2025-09-12 A curious thing happened to Tim Wallace Murphy and Marilyn Hopkins when they published Rex Deus their first book on the bloodline of Christ they were contacted by a man from the very lineage they were studying And instead of denying the existence of the bloodline or berating them for revealing secrets he actually confirmed that the Rex Deus lineage exists and even disclosed some of its fundamental secrets The story of the Rex Deus families direct descendents of Christ who is believed to have survived the crucifixion turns out to be much more extensive than the authors first thought Instead of beginning during the time of Jesus it stretches far back into antiquity to the Egyptian Mystery Schools Instead of being only a propagation of the holy bloodline the Rex Deus families are also carriers of the secret teachings of Jesus Custodians of Truth reveals the purpose and secrets of the Rex Deus lineage Jesus was not only a holy man but an adept of ancient knowledge which informed his own teachings This secret knowledge was suppressed by the Church in their voracious quest for power and influence in the secular world These teachings have manifested throughout history in different forms Gnostic philosophy around the time of Jesus the Order of the Knights Templar Freemasons and the current resurgence of interest in New Age thought Finally the time is right for the hidden message of Jesus to be revealed a message of tolerance brotherhood and respect for nature The next chapter in the legend of the Holy Grail and the bloodline of Christ from the best selling authors of Rosslyn

The Politics of God Hugh J. Schonfield, In The Politics of God Hugh Schonfield builds upon his controversial best seller The Passover Plot to reveal the vision which had been driving him most of his life In searching for the common roots of Judaism and Christianity he uncovers Jesus the Jew and the Messiah for all people Calling on a wide range of thinkers as well as his extensive historical and biblical research he exposes Jesus the Messiah as the founder not of a religion but of a nation set apart to the service of Mankind This renowned historian seeks an answer to the difficulties in discovering a solution in today s religions as well as the disillusionment with state politic s inability to find an answer to peace in the world Hugh Schonfield uncovers an ancient idea which he believes to be the only possible solution to Humankind s dilemma the Politics of God

Evangelism in the Early Church Michael Green, 2004-05-17 Provides a comprehensive look at the ways the first Christians from the New Testament period up until the middle of the third century worked to spread the good news to the rest of the world This book will both show contemporary readers what can be learned from the past and help renew their own evangelistic vision

modern marketplace It uncovers the link between the Rex Deus families and the creation and propagation of the Grail sagas as well as the later foundation of the Secret Society of Freemasonry Building a historical framework for the development of Christianity during the last years of the Roman Empire and the Dark Ages that followed has never been so captivating
