Wolf,2012-06-01 Some people are given everything and still manage to fail Some are given nothing and are able to succeed Is there a recipe for success Is there a recipe for overcoming adversity From the eyes of an Asian immigrant comes a candid story of one man's journey through bullying cultural barriers and the emotional instabilities throughout his growing years in America Three Broken Promises is an emotional journey of the author's relationship with the three people that were closest to him his best friend his brother and the one he loved and the lessons he learned from them I have in my humble conclusion realized that the greatest war of humanity has been and will always be a spiritual one Our great depressions are those who choose to live their lives as if there are no other choices Like all young men and women I too belabored myself with this search for destiny falling just shy of realizing that the real search was for confidence Winter of 2004 **The Island** Nicholas Jenkins,2024-06-11 Nicholas Jenkins explores war love and politics in the early works of W H Auden one of the twentieth century's most controversial and moving poets Auden's poems embraced both haunted meditations on World War I and lyrical visions of English national identity until in the mid 1930s he lost faith in the artistic potential of such myths

Developing Unrelenting Drive, Dedication, and Determination Russell Grieger,2017-02-10 Distinct from other success or motivation books that emphasize skills tactics or pop gimmicks Developing Unrelenting Drive Dedication and Determination digs deep into the theory and practice of Rational Emotive Behavior Therapy REBT to grow those qualities of character and personality that drive one to relentlessly do what is necessary to produce the great results one wants in life Each chapter begins with an engaging discussion of that chapter's theme replete with interesting real life examples Then comes a detailed step by step workshop that contains guided exercises that aid readers in building that character trait in others or themselves Provided next are three powerful intensifiers to strengthen and integrate the trait into one's character structure Following that are cogent suggestions to integrate that chapter's character trait into an organization's culture Last suggested readings are provided for those interested in further pursuing the building of that trait Developing Unrelenting
