

*Loving Memories of my very
Special Dad
on your Birthday*

*My heart still aches in sadness,
My silent tears still flow,
For what it meant to lose you
No one will ever know.*

*Although you cant be here with me,
We're truly not apart
Until the final breath I take,
You'll be living in my heart.*

*Dearest Dad to hear your voice
and see your smile
and just to sit and talk to you
would be my dearest wish today
on this your birthday.*

*Dad
thinking of you today and always
I will love you forever. x x x*

Tribute To My Dad On His Birthday:

Grieving the Death of a Father Harold Ivan Smith, 2024-07-16 Losing a father can be a complex and confusing transition Whether a father was beloved or feared the loss and grief is a process one that sometimes begins before the physical loss has occurred Drawing on his own experience of losing a father as well as on the experiences of others grief counselor and educator Harold Ivan Smith compassionately guides readers through their grief from the process of dying through the acts of remembering and honoring a father after his death This book provides a way forward By shifting the grief process from something to rush through Smith encourages readers to embrace their grief as a natural response to loss and to give themselves time to work through the sadness ambiguous feelings memories and reality of living without a father A father's death inevitably changes us With gentle and wise words Smith speaks to people who have gone through this loss and helps those yet to face it This edition includes a new foreword from the author **Here Be Dragons** Melanie Shankle, 2025-02-18 NEW YORK TIMES BESTSELLER From the author of Nobody's Cuter than You and co author with her daughter Caroline Shankle of The Lion and the Bear comes a poignant deeply personal story about trusting God to heal generational wounds so we can show up for our teenage girls Written with the kindness and honesty of a big sister the candor of a best friend and the humility and grace of one whose heart points us to the One who saved her from all the dragons Sissy Goff author of The Worry Free Parent Medieval cartographers marked maps with Here Be Dragons to warn of unknown dangers ahead and now Melanie Shankle humorously applies this to raising teenage daughters Navigating the tumultuous teenage years can be daunting with mean girls dramatic breakups and self worth struggles often occurring in a single day As a mom you might long for a guide to help you through these unpredictable times When her daughter Caroline faced high school challenges Melanie felt overwhelmed She embarked on a journey to break the vicious cycles rooted in her past realizing that to help Caroline face her dragons she first needed to confront her own In Here Be Dragons Melanie candidly explores past struggles and generational wounds that shaped her approach to parenting With deep insight and empathy she demonstrates how facing your own dragons empowers you to help your daughter confront hers Here Be Dragons is a heartfelt and aptly humorous source of camaraderie and practical advice for those feeling overwhelmed by raising a teenage daughter It serves as a road map to thriving amid chaos and trusting God to transform you into a healthier woman mom wife and friend Laugh cry and find solidarity in Melanie's transformative journey as you embrace your own path toward building an unbreakable mother daughter bond and a more empowered future together **The Journey God Chose** Douglas V. Jewson, Al Brock, 2013-01-14 The Journey God Chose is told by a man who at an early age had a heart that yearned after God In the process of surrendering his life to Christ he came to realize the truth contained in Proverb 16:9 New International Readers Version In your heart you plan your life But the Lord decides where your steps will take you He realized that each day of his life journey was ordered not by him but by his Heavenly Father Al Brock's story is intensely personal It is an open and honest

look at his struggles from early childhood with feelings of jealousy inadequacy and inferiority as he became aware of physical limitations not shared by his identical twin brother As well he struggled with feelings of lack of acceptance by his father again because of his limitations Als brother Pete was always chosen first to be on athletic teams while Al was chosen last Pete became the star quarterback of the high school football team while Al himself served as the teams water boy He grew up in an environment of fear because of his fathers alcoholism and violent rages when intoxicated And then his father was gone when Al was only nine years of age succumbing to the ravages of his drinking This left the family of mother and four children to cope with no ready source of money during the years of the Great Depression Als life verse could be thought of as Romans 8 28 NIRV We know that in all things God works for the good of those who love him He appointed them to be saved in keeping with his purpose This verse is a thread running throughout the story of his life It is evident from childhood on as the family overcame the challenges of going forward without the father Continued evidence is seen throughout from his military service during WWII through his calling to the ministry and his education in the answer to prayer that provided his wife and on into his later years Every life that came in contact with Al Brocks was met with a commitment by him to closeness and lasting friendship God used that to bring those he and Bunny met closer in their desire for the Lord The churches he served grew both in membership and spiritually A monumental change occurred for Al with the stirring of the Holy Spirit for a full surrender of his life God gave him a life changing experience of memory for repressed events with subsequent healing of past hurts done to him and by him to others The result was a Baptism of the Holy Spirit into the fullness and freshness of a new spiritual calling and personal walk with God The lives of those he came in contact with were changed to an even greater degree with the fullness of the indwelling of the Holy Spirit This became a priority in churches he served and in special groups of people The Spirit of the Lord was seen to change individual lives as well as the collective life of the churches he and Bunny were called to serve Al Brock is one of the few men I have come in contact with who has turned sorrow and disappointment into a stepping stone to knowing God in a richer and deeper walk and the Holy Spirits control Bunny faithfully served along with him in every calling that they had together His children rise and call him blessed So do the many close friends he and Bunny made during the years that they served in the ministry It was a pleasure for me and my wife Diane to come to know him and his loving wife through helping to put his life story into words on paper Hopefully lives will continue to be changed by those who read these words even though you may not have the joy of being in contact with him through personal relationship or ministry

Songs on the Wind C. Scott Fulton, 2019-11-19 This book is a collection of most of my songs recast as poems They were written over a fifty year period and over that time my experiences have grown and my sensibilities have shifted in various ways But it seems to me that we are all on a very similar journey And my hope is that there is something in here for you that the songs on the wind that have come to me moved me carried me will help sing you homeward as well
