Finding Freedom Donna J. Stundahl, 2015-01-29 Do you ever feel like you're wandering in a wilderness alone Are you searching for the same freedom the children of Israel sought only to find oppression at every turn Are you looking for a life filled with promise only to be repeatedly disappointed You are not alone We are all on a journey from slavery to sin to the ultimate Promised Land in Heaven where we will be free Everything in between is a wilderness experience Moses expounded on freedom in the wilderness He explained exactly where to find it and how to get there He clearly spoke to the Jew and the foreigner The question is Does He speak to the Christian as well In her book Finding Freedom Dr Stundahl will wander through the wilderness of Deuteronomy and explore the Hebraic roots of Christianity Finding Freedom reveals the concepts of the Torah assembled in the same format in which they were studied by the Jewish communities since the Babylonian exile These concepts include humility idolatry evil speech teaching learning remembering and listening The analysis of each portion of the Torah considers its applicability to the life of a Christian As the history of Christianity and the Jewish elements of the Gospel are discovered the shadows of Jesus Christ are revealed Wherever you are in the wilderness of your life you too can find the freedom intended just for you Experience the reading the writing and the dance of the Torah

Spiritual Trilogy Stephen W. Hiemstra, 2018-02-16 This trilogy combines three books

published previously A Christian Guide to Spirituality Life in Tension and Called Along the Way Together they chronicle a spiritual journey during the period from 2013 through 2017 The first two books focus on the question who is God while the third book focuses on the question who are we The call to faith and ministry is personal but it is also corporal being informed by the community of faith at one time and in one place The original books have been reproduced as published Offering them together makes them available more economically and draws attention to their common purpose Because spirituality is lived belief it is important to reflect on what we say we believe and what we actually practice This reflective process is inherently stressful but it is a normal part of our Christian journey as we prepare in this life for the next Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker writer and speaker He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children Key words for this book include Beatitudes Christianity spirituality memoir Christian memoir Jesus Bible devotion spiritual growth and faith Other books by T2Pneuma Publishers LLC include A Christian Guide to Spirituality 2014 Una Gu a Cristiana a la Espiritualidad 2015 My Travel Through Life 2016 Oraciones 2016 Prayers 2016 Life in Tension 2016 Prayers of a Life in Tension 2016 Called Along the Way 2017 See T2Pneuma com for more details What people are saying Stephen provides a helpful accessible guide using the classic catechetical structure of the Apostles Creed the Lord s Prayer and the Ten Commandments David A Currie Gordon Conwell Theological Seminary In reference to A Christian Guide to Spirituality We live in a fallen world It leads to life in tension and sometimes a life full of stress Stephen Hiemstra takes us on a needed tour of the kind of character it takes to face such a life Darrell L Bock Dallas Theological Seminary In reference to Life in Tension Have you ever wondered if the church in America is mortally wounded Is God really dead as the infamous 1966 Time magazine cover reported This memoir offers evidence to the contrary Aaron Gordon Pastor In reference to Called Along the Way A Christian Guide to Spirituality Stephen W. Hiemstra, 2017-12-16 Spirituality is lived belief When we pray worship or reach out to our neighbors we live out our beliefs Our beliefs structure our spirituality like skin stretched over the bones of our bodies These beliefs start with faith in God the Father through Jesus Christ as revealed through the Holy Spirit in scripture in the church and in daily life Our Trinitarian theology orders our beliefs Without a coherent theology we lose our identity in space and time having no map or compass to guide us on our way In the end we focus on ourselves not God Christian spirituality starts with God not with us A Christian Guide to Spirituality takes the form of 50 daily devotions Each topic is treated with a scriptural reference reflection prayer and questions for discussion Occasionally references are provided for further study The first four chapters Introduction Apostle s Creed Lord s Prayer and Ten Commandments cover 40 days making them suitable as a Lenten study Ten additional days focus on the spiritual disciplines and a short conclusion Reading A Christian Guide to Spirituality will help readers understand Christian spirituality better and nurture their faith There is no such thing as quality time with the Lord there is only time The living God speaks to us in many ways but especially through

scripture These three sources cited Apostle s Creed Lord s Prayer and Ten Commandments are commonly called the rule of faith regula fidei and were utilized for nearly two millennia as a means to apprentice the faith These sources are the heart of the confessions of most Christian faith communities and denominations Hear the words walk the steps experience the joy
