P. Fitzgerald,2016-09-28 Excerpt from Upper Room Meditations IN the opening verses of the Bible there is an intimation of the sublime truth that everything in the universe of God both physical and spiritual is under law In the beginning God created the heaven and the earth And the earth was without form and void and darkness was upon the face of the deep And the Spirit of God moved upon the face of the waters When the Spirit of God moved upon the face of the waters then came life and light order and beauty From the revolutions of a planetary system to the fall of a sparrow there is nothing capricious or arbitrary or fortuitous in the divine administration This truth is the key that will unlock many mysteries in our study of God s ways in his dealings with us as revealed in his Word and known by our experience In the chapters that follow it is hoped that the kind ly reader will discern this truth as a golden thread running through the whole And we will not forget that the Spirit of God is his own best interpreter About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art
