The Sound Of Broken Absolutes:

The Sound of Broken Absolutes Peter Orullian, 2015-05-16 Two men One old On young Both possess a gift A gift of music with the power to change things Even destroy The younger is called back to his homeland To war The other embarks on an inward journey into his past as he sets to repair a broken viola An instrument with meaning to him A resonant kind The music each man will make will have an absolute quality And it will change them both Metropolis Pt. 2: Scenes from a Memory

Peter Orullian, 2024-10-26 Nicholas Santori a sound engineer who specializes in audio recovery has had troubling dreams all his life With the anniversary of his daughter's death those dreams have gotten worse threatening the stability of his family and perhaps his own safety After receiving cryptic messages about his dreams from his clairvoyant son Nicholas seeks help from an eccentric hypnotherapist with questionable intentions During regression Nicholas learns that in a former life he was a young girl named Victoria Page that she was murdered and that her case was never truly solved Believing he can end his nightmares if he can solve Victoria's murder he finds retired detective Colin Murphy who's been obsessed with Victoria's case since he saw her lying dead seventy years ago in the house where Murphy now lives Together they hope to solve the cold case while someone is desperately trying to stop them Orullian deftly weaves the two sides of this interconnected story across the twentieth century From nightmares to zeppelins to anechoic chambers to train heists to mafia hits to speakeasies to heartfelt conversations about loss Orullian's propulsive imagining of Dream Theater's critically acclaimed album

Metropolis Pt 2 Scenes from a Memory is by turns thrilling suspenseful and poignant *The Astonishing* Peter Orullian, John Petrucci, 2019-03-14 BASED ON THE HIT ALBUM BY PROGRESSIVE METAL GIANTS DREAM THEATER In a not so distant future our world has returned to the ugliness of feudalism Only this time those in power control the servant class with the very thing that once inspired men to rise up and take back their lives music But it is not the music of old That music is forgotten No this new music is engineered entirely by machines This music suppresses that part of humanity which might be inspired This music suppresses hope But what is old will be made new again In the village of Ravenskill lives a young man Gabriel who comes with a gift of power A gift of music As a human expression Gabriel's brother Arhys leads a rebel militia that is trying to liberate the people And he believes Gabriel's gift is the key a key he hopes will help him keep a promise he made to his wife on her deathbed But the emperor and his son have different plans to maintain control Those plans may find an unlikely challenger in their own family And the resulting conflict may yield lasting consequences For them all With music as a moving force the choices each player must make will bring them to a shared moment of pain And perhaps redemption

Graham Greene's Fictions Cates Baldridge, 2000 Baldridge English Middlebury College offers an interpretation of Greene's work and seeks out the structure of thought implicit in the texts Each chapter focuses on a major aspect of Greene's vision as expressed through his novels Five of Greene's novels receive particular attention *Brighton Rock* *The Power and the Glory* *The Heart of the Matter* *The Comedians* and *The Honorary Consul* Annotation copyrighted by Book News Inc Portland
