The Spirituals And The Blues An Interpretation:

The Spirituals and the Blues James H. Cone, 1991 Cone explores two classic aspects of African American culture the spirituals and the blues He tells the captivating story of how slaves and the children of slaves used this music to affirm their essential humanity in the face of oppression The blues are shown to be a this worldly expression of cultural and political rebellion The spirituals tell about the attempt to carve out a significant existence in a very trying situation *The Spirituals and the Blues - 50th Anniversary Edition* Cone James, 2022 How two forms of song helped sustain slaves and their children in the midst of tribulation With a new introduction by Cheryl Townsend Gilkes **The Spirituals and the Blues** James H. Cone, 1991 **The spirituals and the blues** James H. Cone, 1980 *The Spirituals and the Blues (by) James H. Cone* James H. Cone, 1972 **The Spirit and the Song** Steven Félix-Jäger, Chris E. W. Green, 2024-09-16 The Spirit and the Song Pneumatological Reflections on Popular Music explores pertinent pneumatological issues that arise in music It offers three distinct contributions first it asks what if anything music tells listeners about God s Spiritedness Can the experience of music speak to human spiritedness the world s transcendentality or a person s own self transcendence in ways nothing else does or can Second this book explores how the Spirit functions within and even determines culture through music Because music is a profound human expression it can find itself in a rich dialogue with the Spirit Third and finally this book explores the contested status of music in Christian spiritual traditions It deals with music as inspired by the Spirit music as participation in Spiritedness and music as temptation of the flesh As such this book also engages music s placement in Christian spiritual traditions The contributors of this book ask how Christian convictions about and experiences of the Spirit might shape the way one thinks about music **Spirituals** Kathleen A. Abromeit, 2015-01-01 Spirituals originated among enslaved Africans in America during the colonial era They resonate throughout African American history from that time to the civil rights movement from the cotton fields to the concert stage and influenced everything from gospel music to blues and rap They have offered solace in times of suffering served as clandestine signals on the Underground Railroad and been a source of celebration and religious inspiration Spirituals are born from the womb of African American experience yet they transcend national disciplinary and linguistic boundaries as they connect music theology literature and poetry history society and education In doing so they reach every aspect of human experience To make sense of the immense impact spirituals have made on music culture and society this bibliography cites writings from a multidisciplinary perspective This annotated bibliography documents articles books and dissertations published since 1902 Of those 150 are books 80 are chapters within books 615 are journal articles and 150 are dissertations along with a selection of highly significant items published before 1920 The most recent publications included date from early 2014 Disciplines researched include music literature and poetry American history religion and African American Studies Items included in the annotated bibliography are limited to English language sources that were published in the United States and focus on African American spirituals in the United States but

there are a few select citations that focus on spirituals outside of the United States Of the one thousand annotations they are divided roughly evenly between general studies and geographical studies information about early spirituals use of spirituals in art music church music and popular music composers who based music on spirituals performers of spirituals ensembles and individuals Bible theology and religious education literature and poetry pedagogical considerations including the teaching of spirituals as well as prominent educators reference works and a list of resources that were unavailable for review but are potentially useful This book also offers considerable depth on particular topics such as the Fisk Jubilee Singers and William Grant Still with over thirty citations devoted to each At the same time materials included are quite diverse with topics such as spirituals in Zora Neale Hurston s novels bible studies based on spirituals enriching the teaching of geography through spirituals Marian Anderson s historic concert at the Lincoln Memorial spiritual roots of rap teaching dialect to singers expressing African American religion in spirituals Samuel Coleridge Taylor s music slave tradition of singing among the Gullah The book contains indices by author subject and spiritual title Additionally an appendix of spirituals by biblical reference listing both spiritual title to scriptural reference as well as scripture to spiritual title is included T L Collins Christian educator compiled the appendix **The Western Journal of Black Studies** ,2004 *The Amazing Secret History of Elmore* James Steve Franz,2003 Biography of blues slide guitar legend Elmore James Includes bibliography discography index illustrated Over 20 pages of b w photos Full color cover *The Journal of Black Sacred Music* ,1989

The Publishers Weekly ,1926 *Critical Review of Books in Religion* ,1992 **Reds, Whites, and the Blues** Steven Patrick Garabedian,2004 **Nothing But the Blues** Mary Katherine Aldin,1993 Eleven essays trace the origins of the Blues early recordings different styles and more Photographs of many of the musicians are included Book Review Digest ,1973 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher **The Embodiment of Religious Meaning in the Works of James Baldwin** Lawrence Van Heusen,1988 **The Trouble I've Seen** Bruno Chenu,2003 Accompanying CD contains 18 sprirituals by the Moses Hogan Chorale *Dictionary Catalog of the Jesse E. Moorland Collection of Negro Life and History*, Howard University Library, Washington, D.C. Moorland Foundation,1970 *Papers of the Hymn Society of America* ,1970 **Folk Music in America** Terry E. Miller,1986 This useful bibliography includes books dissertations scholarly articles in journals and Festschrifts and some encyclopedia articlesalmost all published in English since 1900 with emphasis on recently published items Annotations are succinct and helpful Short essays introduce each section of the book allowing Miller to

defend his inclusion of topics like the singing school and the folk revival The listing includes works on numerous ethnic musics in addition to the literature on Anglo black and Indian music There are both subject and author indexes
