transform our vulnerabilities into strengths and restore a sense of coherence in our lives even when things seem broken or shattered The ultimate goal of both psychotherapy and spiritual practice she says is to open our hearts fully to life to the raw and painful as well as to the beautiful joyous and sacred dimensions of existence for wholeness is reached only when we can embrace and integrate the contradictory and often fragmented aspects of our being At a time when so many people are searching for ways to bring greater spiritual depth and meaning to their lives Frankel offers a powerful and authentic vision of how to do just that **The National Jewish Monthly** ,1929
