JR Anderson

The Sun In The Church The Sun In The Church:

The Sun in the Church J. L. Heilbron, Professor of the History of Science John L Heilbron, 2009-06-01 Between 1650 and 1750 four Catholic churches were the best solar observatories in the world Built to fix an unquestionable date for Easter they also housed instruments that threw light on the disputed geometry of the solar system and so within sight of the altar subverted Church doctrine about the order of the universe A tale of politically canny astronomers and cardinals with a taste for mathematics The Sun in the Church tells how these observatories came to be how they worked and what they accomplished It describes Galileo s political overreaching his subsequent trial for heresy and his slow and steady rehabilitation in the eyes of the Catholic Church And it offers an enlightening perspective on astronomy Church history and religious architecture as well as an analysis of measurements testing the limits of attainable accuracy undertaken with rudimentary means and extraordinary zeal Above all the book illuminates the niches protected and financed by the Catholic Church in which science and mathematics thrived Superbly written The Sun in the Church provides a magnificent corrective to long standing oversimplified accounts of the hostility between science and religion *The Christian Science Journal* ,1923

The Living Church ,1996-07 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** ,1996 **The Christian Science Journal** ,2000 *The Great Prophecies of the Centuries Concerning the Church* George Hawkins Pember,1909 Munsey's Magazine ,1918 A biblical liturgy, for the use of evangelical churches and homes, compiled by D. Thomas. To which is appended, the liturgy of the Church of England (abridged). Biblical liturgy,1874 *The Great Cathedrals and Most Celebrated Churches of the World* James Luke Meagher,1923 *The Church Service Bible, Containing the Old and New Testaments, with the Lessons from the Apocrypha, Marked as Appointed to be Read in Churches According to the Lectionary of M.DCCC.LXXI. ,1876* *The Key of Truth a Manual of the Paulician Church of Armenia.
