The ^A Future of Christian Marriage Mark

Regnerus, 2020-08-01 There is less interest in marriage in society today than in years past in an era marked by technology gender equality and secularization In this book Mark Regnerus explores how today's Christians find a mate within a faith that esteems marriage but a world that increasingly yawns at it and argues that the future of marriage will be a religious one

Cheap Print and the People David Atkinson, Steve Roud, 2019-06-17 In every country across Europe at some point or other during the last five hundred years cheap printed materials were the staple diet of ordinary people providing a rich array of entertainment education and information They came in various forms but were usually variations on the theme of single sheets or simple booklets and they were carried far and wide in pedlars packs and sold in the streets at fairs and markets and wherever crowds gathered as well as in backstreet shops Their content was as broad as can be imagined news and scandal crimes and last dying confessions of murderers divinations instructional works wonder stories miracles folktales and legends love stories celebrations of national victories and lamentations for the good old days They were often couched in the form of poetry or song and included pictures in the form of woodcuts and engravings to add to their appeal In every country across Europe governments and local and religious authorities tried at times to suppress or control these cheap printed materials Sometimes too the authorities would adopt the format of cheap print to spread their own moral and conformist messages The educated elites almost always treated cheap print with disdain but the people continued to buy these items in their tens of thousands and the printers knew exactly what they wanted Neglected and reviled for centuries cheap print shines a light on the culture and lives of ordinary people This is the first volume to take a pan European perspective with each chapter detailing the experience of a particular country or region offering the reader the opportunity to progress from the particular to a continent wide overview This combination of the ubiquity of the materials and overarching themes with the variations wrought by local circumstances can be summed up in the phrase always the same but everywhere different

Why Humanae Vitae Is Still Right Janet Smith, 2018-07-11 Paul VI's genius proved prophetic he had the courage to stand against the majority to defend moral discipline to exercise a brake on the culture to oppose present and future neo Malthusianism Pope Francis Of all the paradoxical fallout from the Pill perhaps the least understood today is this the most unfashionable unwanted and ubiquitously deplored moral teaching on earth is also the most thoroughly vindicated by the accumulation of secular empirical post revolutionary fact The document in question is of course Humanae vitae Mary Eberstadt Author Adam and Eve after the Pill
