The Star Garden Nancy E. Turner, 2007-09-04 From the bestselling author of *These Is My Words* comes this exhilarating follow up to the beloved *Sarah's Quilt* In the latest diary entries of pioneer woman Sarah Agnes Prine Nancy E Turner continues Sarah's extraordinary story as she struggles to make a home in the Arizona Territory It is winter 1906 and nearing bankruptcy after surviving drought storms and the rustling of her cattle Sarah remains a stalwart pillar to her extended family Then a stagecoach accident puts in her path three strangers who will change her life In sickness and in health neighbor Udell Hanna remains a trusted friend pressing for Sarah to marry When he reveals a plan to grant Sarah her dearest wish she is overwhelmed with passion and excitement She soon discovers however that there is more to a formal education than she bargained for Behind the scenes Sarah's old friend Maldonado has struck a deal with the very men who will become linchpins of the Mexican Revolution Maldonado plots to coerce Sarah into partnership but when she refuses he devises a murderous plan to gain her land for building a railroad straight to Mexico When Sarah's son Charlie unexpectedly returns from town with a new bride the plot turns into an all out range war between the two families Finally putting an end to Udell's constant kindnesses Sarah describes herself as an iron boned woman She wants more than to be merely a comfortable fill in for his dead wife It is only through a chance encounter that she discovers his true feelings and only then can she believe that a selfless love has at last reached out to her
