The Stature Of Waiting:

The Stature of Waiting W. H. Vanstone, 2006 This classic of spiritual writing transforms readers understanding of the experiences of illness or of being out of work or feeling inactive and powerless The Stature of Waiting William Hubert Vanstone, 1983 **And Still We Wait** Riyako Cecilia Hikota, 2018-01-30 In response to the recent critiques made against Balthasar's interpretation of Christ's descent into hell on Holy Saturday this book argues that Balthasar does not intend to present a radical reinterpretation of the doctrine in contrast to the traditional teachings but rather intends to fully appreciate the in betweenness of Holy Saturday as the day of transition from the cross to the resurrection from the old aeon to the new The book further argues that this awareness of the in betweenness can be detected throughout Balthasar's theological corpus and provides a clue to interpret his thoughts on Christian discipleship and suffering After all the Christian existence is also characterized by the transition from the old aeon to the new from suffering to victory The Christian believes that their victory is already here and not here yet In this sense the Christian still lives in Holy Saturday Eventually we can deepen our understanding of Christian discipleship and suffering in the light of Holy Saturday In short we could patiently endure our Holy Saturday because of Christ's Holy Saturday in hell Following the Celtic Way Ian Bradley, 2020-04-28 A quarter century after writing the acclaimed *The Celtic Way* Ian Bradley one of the foremost experts on the spiritual beliefs and practices of the indigenous Christian communities in the British Isles in the early Middle Ages revisits the original sources and makes a substantial reappraisal of Celtic spirituality *Following the Celtic Way* challenges many of the myths and romanticized portrayals of Celtic Christianity and shows evidence of the harder edge and demanding austerity of the lives and spirituality of believers from this time This book sits among the most insightful and up to date introductions to this distinctive and evocative expression of faith and draws out its themes that are most relevant to us today It also offers practical spiritual guidance on how to follow the Celtic Way in the contemporary world **Doing Member Care Well** Kelly O'Donnell, Kelly S. O'Donnell, 2002 This book explores how member care is being practiced around the world to equip sending organizations as they intentionally support their mission aid personnel The information provided includes personal accounts guidelines case studies worksheets and practical advice from all over the globe This book delivers what it promises Here are 50 chapters from the widest selection of writers in the member care field to date Brent Lindquist President Link Care Center This book was published in partnership with the World Evangelical Alliance Ministry to Outpatients Herbert Anderson, Lawrence E.
