The Subtle Knife

Philip Pullman

The Subtle Knife:

The Subtle Knife Philip Pullman, 2007 Will is 12 years old and he's just killed a man. Now he's on his own on the run, determined to discover the truth about his father's disappearance. *The Subtle Knife* Philip Pullman, 2007 As the boundaries between worlds begin to dissolve, Lyra and her daemon help Will Parry in his search for his father and for a powerful magical knife. **His Dark Materials: The subtle knife (1st Ballantine Books ed.)** Philip Pullman, 1997

The Subtle Knife Philip Pullman, 2001 Will is on the run. He's killed a man and now he must flee Oxford and attempt to find his father, an explorer who sought the North Pole and who never returned from his expedition. Will's search for his father leads him to another world where he encounters a girl and her wildcat daemon, Lyra. After crossing the abyss between the worlds, Lyra finds herself thrown together with Will in a beautiful but eerily deserted city. It is a city haunted by Specters, soul-eating ghostly forms that prey on adults, leaving a world dominated by orphaned children. But even in another world, Will cannot evade those who seek to destroy him, and thus the journey continues. Lyra and Will's destinies are intertwined, and their... **His Dark Materials** Philip Pullman, 2011-12-06 The only hardcover omnibus of the best-selling and award-winning fantasy trilogy, Philip Pullman's trilogy is a masterpiece that transcends genre and appeals to readers of all ages. His heroine, Lyra, is an orphan living in a parallel universe in which science, theology, and magic are entwined. The epic story that takes us through the three novels is not only a spellbinding adventure featuring armored polar bears, magical devices, witches, and daemons; it is also an audacious and profound reimagining of Milton's *Paradise Lost* that has already inspired a number of serious books of literary criticism. Like J.R.R. Tolkien and C.S. Lewis before him, Pullman has invented a richly detailed and marvelously imagined world, complex and thought-provoking enough to enthrall adults as well as younger readers. An utterly entrancing blend of metaphysical speculation and bravura storytelling, *His Dark Materials* is a monumental and enduring achievement. Don't miss Philip Pullman's epic new trilogy set in the world of *His Dark Materials*: *THE BOOK OF DUST*, *La Belle Sauvage*, *The Secret Commonwealth*. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper with full cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European style half-round spines, and a full-color illustrated jacket. Contemporary Classics include an introduction, a select bibliography, and a chronology of the author's life and times. **The Subtle Knife Graphic Novel** Philip Pullman, 2022-02-22 This graphic novel adaptation of *The Subtle Knife* is a great entry for readers new to *His Dark Materials* and an exciting new look at the classic for existing Pullman fans. Philip Pullman's world is brought to visual life in *The Subtle Knife Graphic Novel*, a companion to the successful *The Golden Compass Graphic Novel*. The stunning full-color art will offer both new and returning readers a chance to experience the story of Lyra, an ordinary girl with an extraordinary role to play in the fates of multiple worlds in an entirely new way. In *The Subtle Knife*, Lyra meets Will, a boy on the run, a murderer, a worthy and welcome ally. For this is a world where soul-eating Specters stalk the streets and witches share the skies with troops of angels. Each is

searching Lyra for the meaning of Dark Matter Will for his missing father but what they find instead is a deadly secret a knife of untold power And neither Lyra nor Will suspects how tightly their lives their loves their destinies are bound together until they are split apart

His dark materials Philip Pullman,2007-08-28 Lyra Belacqua tries to prevent kidnapped children from becoming the subject of gruesome experiments decides to help Will Parry search for his father and finds that she and Will are caught in a battle between the forces of the Authority and those gathered by her uncle Lord Asriel
