The Girl from Back Then Edward Hendriks,2020-04-17 Some girls from your past you better never see again My own Brenda eight months pregnant was sitting back at home but Lieve

was sitting on the barstool right next to me red haired and freckled and from the first instant my eyes met her green eyes I knew that I would be making the worst mistake of my life She was just enchanting I don't use that word very often but she was in the true sense of that word Keep my crutch free she said at one point parroting Haze and his mindless song So she'll never come back I thought But this story didn't unfold like the lyrics of that old crooner She really did go to the washroom and just a couple of minutes later Lieve that's what she called herself came back She asked me if I would like to take her home I could hardly believe that this was really happening She was too young I was too old and on top of everything else I was too married And what was more I would be a father in a couple of weeks Of course I should have just thanked her for her company and offered to call her a cab Just three kisses on the cheek and that would be that That's how it should have gone But it didn't go that way Twenty years ago Paul Meertens cheated on the woman he had just married Now while he has a good job with an IT company he is face to face with his one night stand of the time Lieve Breevoort She is applying for the position of management assistant Paul is upset but pulls up He decides to send a rejection letter and forget about the whole incident as soon as possible But this time Lieve cannot be pushed aside so easily He soon sees her as a dance teacher for his youngest daughter as his wife's new squash partner and as a substitute at school He is really starting to see her everywhere Is he going crazy No it is worse than that She's out for revenge and she's had a damn long time to prepare it A hard hitting
