Waking Up A Guide To Spirituality Without Religion:

Waking Up Sam Harris, 2014-09 For the millions of Americans who want spirituality without religion Sam Harris's new book is a guide to meditation as a rational spiritual practice informed by neuroscience and psychology From multiple New York Times bestselling author neuroscientist and new atheist Sam Harris *Waking Up* is for the 30 percent of Americans who follow no religion but who suspect that Jesus Buddha Lao Tzu Rumi and the other saints and sages of history could not have all been epileptics schizophrenics or frauds Throughout the book Harris argues that there are important truths to be found in the experiences of such contemplatives and therefore that there is more to understanding reality than science and secular culture generally allow *Waking Up* is part seeker's memoir and part exploration of the scientific underpinnings of spirituality No other book marries contemplative wisdom and modern science in this way and no author other than Sam Harris a scientist philosopher and famous skeptic could write it

Waking Up Sam Harris, 2014-09-09 For the millions of Americans who want spirituality without religion Sam Harris's latest New York Times bestseller is a guide to meditation as a rational practice informed by neuroscience and psychology From Sam Harris neuroscientist and author of numerous New York Times bestselling books *Waking Up* is for the twenty percent of Americans who follow no religion but who suspect that important truths can be found in the experiences of such figures as Jesus the Buddha Lao Tzu Rumi and the other saints and sages of history Throughout this book Harris argues that there is more to understanding reality than science and secular culture generally allow and that how we pay attention to the present moment largely determines the quality of our lives *Waking Up* is part memoir and part exploration of the scientific underpinnings of spirituality No other book marries contemplative wisdom and modern science in this way and no author other than Sam Harris a scientist philosopher and famous skeptic could write it

+ *Notebook: Waking Up: a Guide to Spirituality Without Religion by Sam Harris* + + notebook, 2014-06-24 Imagine 2 scenarios In the first one you have just finished reading *Waking Up* It was a great book and you remember that it mentioned a lot of smart things But you can't remember much of it now as you close the book In the second scenario you have just finished the same book The difference now is that you have a deep understanding for what you have read structured notes about key take aways and a plan for how to implement this new learning to improve your life Most people will find themselves in scenario one after finishing Sam Harris *Waking Up* This is because there is a big difference between reading a book and really reading a book We believe that reading is an investment You spend time with a book because you hope that it will make you happier healthier wealthier or smarter But simply just reading a great book is not enough You have to understand how the information applies to your life and develop a plan for how to implement it There is a method for doing this and it is the reason why a book can change one person's life and for someone else not even be worth the paper it is printed on People who make real change thanks to a book they have read follow pretty much the same formula even if they know it or not You will be guided on how to extract the information from the book that is most valuable to you how to

implement it in your life and how take notes that makes you smarter notebook is a notebook that makes you think and that makes sure you get results Do you want to finish Waking Up and feel that you have a deep understanding for what you have read structured notes about key take aways and a plan for how to implement this new learning to improve your life Then notebook is the perfect companion to have with you as you read Waking Up
