Walk It Out Together In The Way Of Jesus:

On the way Niclas Ljung, 2025-06-27 How can our faith in God grow and why doesn't it always? What causes our love for God to so easily grow cold and at times even fade away? This book is a practical and accessible guide that helps us understand the Christian life as a daily walk with Jesus. Following Jesus isn't about sitting at life's station waiting for a train to take us to heaven when we die. The Christian life is a journey, a walk we're invited to take every day. This is the language of the Bible: we are called to walk through life, and life itself is a journey. In this book, Niclas Ljung, pastor in Malmö, Sweden, explores how we can get off to a good start in our walk with Jesus. At the same time, it offers encouragement and guidance for those of us who want to continue walking with Him, no matter where we find ourselves along the way. The book was born out of Niclas's own journey with Jesus, during which he has helped people of all ages discover Christ and begin their walk with Him in the best possible way. Faith in God is not merely about accepting a set of truths or values; it's about knowing the one true living God. Salvation is not simply a line we cross but a road we walk following Jesus through the ups and downs of life. Written in clear and engaging language, this book is suitable for both young readers and those who may find it difficult to sit down with a book. It was originally created for use in a local church with short daily readings designed to complement Sunday sermons. It is also ideal for small groups encouraging deeper faith and challenging us to follow Jesus in every area of life. Rich in Scripture references and direct Bible quotations, the book also has a theological nature; it seeks to describe God and help us better understand who He is. David Pawson, John Wimber, John Stott, and John Mark Comer are among Niclas Ljung's key influences, and their legacy is clearly reflected throughout the book.

The Gathering, A Womanist Church Irie Lynne Session, Kamillah Hall Sharp, Jann Aldredge-Clanton, 2020-08-21 A womanist church has great power to transform church and society primarily because womanist theology centers the experiences of Black women while working for the survival and wholeness of all people and all creation. Experiences of the triple oppression of racism, sexism, and classism give Black women an epistemological insight into recognizing injustice and creating solutions that benefit all. The Gathering is unique: the only church founded and identified as womanist, applying womanist theology to the full life and worship of a church. The Gathering, a womanist faith community in Dallas, Texas, welcomes all people to partner in pursuing racial equity, LGBTQ equality, and dismantling patriarchy, misogyny, and sexism, following Jesus in liberating the oppressed and lifting up the marginalized. The Gathering, A Womanist Church, tells the story of the birth and ongoing development of a womanist faith community. This book includes personal narratives of people transformed in this community, womanist co-pastors' sermons informed by their experiences, and those of other Black women, and litanies for womanist worship.

A Path Called Compelling K. Bradley Watson, 2023-04-12 While hiking in 2010, an ill-advised off-trail climb left debut author K. Bradley Watson dangling precariously over the edge of a cliff. Narrowly escaping disaster, Watson then found himself lost in the woods, bushwhacking for hours before he found his way out of a dense canyon forest. The haphazard hiking moment became an epiphany for him.

underscoring the importance of following trails As in hiking so it is in life and faith to find our way we need the direction of a path to guide us In *A Path Called Compelling* Watson reimagines the Christian faith as the Jesus Path where three key events from Jesus's life birth baptism temptations are revealed to be more than events to believe in but a path meant to be entered travelled and lived Acting as an expedition guide raconteur and pastor Watson weaves masterful storytelling with thoughtful reflections on Scripture that will have readers chuckling to themselves in one moment while readying themselves to travel the Jesus Path in the next Fresh and urgent the book invites readers to rediscover faith as they walk and explore *A Path Called Compelling*
