Walking with the Master Stan Lemke, 2014-10-08 In Walking with the Master John reveals Jesus through His teachings and His conversations with the people around Him Jesus consistently points towards a reality that extends far beyond what we can see touch feel or even imagine a reality that reaches unto eternity He poses the questions What is our world view How are we investing our lives Are we part of the world that says we only live once so enjoy it Or do we believe that there is more much more Jesus the author of life itself came to prove to us by word and deed that there is more to life than is apparent to the senses He implores us to make an informed choice a choice to believe a choice to follow Him Within these lessons we will come to understand who Jesus is and why John described Him as the Word become Flesh We will see Jesus talking to Nicodemus as He explains the awesome mystery of salvation Jesus will reveal how He is the Bread of Life and the Good Shepherd He will miraculously prove that He is the Resurrection and the Life As the True Vine He calls us to committed discipleship and to a life and purpose that we cannot achieve in our own strength He invites us to a personal relationship with Himself now and forever *A Commentary, on the First, Second, and Third Epistles of St. John.
