Walking On Water Reflections On Faith And Art Wheaton Literary Series:

Walking on Water Madeleine L'Engle, 1980 Addressing the subject of faith and art head on this masterful work examines the difference between Christian art and secular art as well as the relationship between the two Award winning artist L'Engle exhorts artists to listen to remain aware of and to respond to creation through one's own art The Encyclopedia of Christian Literature George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles You Don't Look Sick!, Second Edition Steven S. Overman, Joy H. Selak, 2012-12-17 You Don't Look Sick chronicles one person's true life story of illness and her physicians' compassionate commentary as they journey through the four stages of chronic illness Getting Sick Being Sick Grief and Acceptance and Living Well The authors address such practical aspects as hiring a doctor managing chronic pain coping with grief and loss of function winning battles with health and disability insurers countering the social bias against the chronically ill and recognizing the limitations of chronic illness care and charting a path for change and more This warmhearted resource helps you focus on building a meaningful life as opposed to a life of frustration and fear This book is thoroughly revised and updated based upon feedback from readers of the first edition The authors have added a new section on Grief and Acceptance address the passage of the Affordable Health Care Act and Dr Overman has added practical travel tips that bring organization and focus to each phase of the journey Designed for people at all stages of the chronic illness journey this book is also illuminating for caregivers and loved ones Bandersnatch Erika Morrison, 2015-10-06 IDENTIFY THE EXPECTATIONS AND LABELS THAT CRAMP YOUR SOUL Contemporary Christianity seems to be suffering from an epidemic of sameness Uniformity Monotony Those trapped inside are often afraid to step beyond established norms and innovatively express themselves or they simply don't know how And those on the outside of Christianity often see very little that attracts them Yet God out of the abundance of his own artistic force made each one of us unique Peculiar Irreplaceable So why so much pressure to conform Bandersnatch explores this intersection of disillusionment and welcomes readers to a liberating journey an odyssey of the soul This process is an opportunity for fellow Christians who are feeling weary or stifled

by established norms to find God in unconventional ways as well as an invitation for people on the outside to reimagine what following the mystery of Christ could be like It is organized around four terms viewed through the life of Jesus Avant Garde Alchemy Anthropology and Art Each expression reveals a diverse facet of God s unorthodox creativity planted within us provides a fresh look at the divine nature and offers a reframed collection of definitions by which to live Erika Morrison gives us permission to break free from the expectations and labels that cramp our souls Then through the lens of singularity she encourages her readers to cultivate artful holistic contributing lives that matter to both heaven and earth A

Shouldn't Talk Back Margaret O. Killinger, 2022-08-24 Painted Flowers Shouldn't Talk Back tells the story of a suburban women s art collective that painted together in Houston Texas from 1970 to 1977 They called themselves the Garden Artists though their subjects were much more varied than just garden views Author Margaret Killinger s artful narrative illustrates how these women creatively confronted profound sociocultural challenges through decorative art Some discovered much needed financial independence and personal freedom through the group others camaraderie and gratification outside home and marriage Still others found a welcome reprieve from the demands of motherhood the confines of suburban conformity or the sinking weight of grief They collectively learned to confront stark walls and to determine what they could and could not live with all the while enjoying art and each other Framed by Killinger s 2008 group interview conducted in Houston the story moves via memories and other interviews to El Paso Austin San Antonio Santa Fe and New Orleans The women s story is furthermore told under the shadow of Killinger s own search for answers She began exploring the women s lives after the sudden quiet death of her mother a portrait artist and peripheral member of the group who collapsed and died in 2004 when she was just sixty five years old Nancy Alvarez the eccentric hilarious leader of the Garden Artists who shaped each of their stories died one year later also sixty five To make sense of these losses Killinger looks back to when the women were prolific Houston artists with Nancy as their quirky guide a time when they were arguably most alive Resolution comes through deciphering what their art meant to them back then and exploring what it could mean for readers today **A Theology of**
