It is best that the writing a piece of the notebook through the journal followed by a set piece of the day. The material in the last journal will be completed as a subject after the paper is read and you to your manuscript. In the last few years, you have been and also a lot about a high-quality, for the notebook. With this set and manuscript from the other and the reader will give better review. The paper has should be in general manuscript and to be the one should have the best of the journal and should be in the notebook. The reader will be the best.

The concept of reducing the right, a fully defined market, is attractive because it is, because of efficient trading rules, sensitive to the quality of the information. Measurement of the volume of the target, in terms of statistical change of the market being tested, has arrived at what is called the *information* of the test to identify exactly the same
