D.H. Lawrence's *The Rainbow* and *Women in Love* Doo-Sun Ryu, 2005 Focusing on D H Lawrence s concept of essential criticism which was introduced in his posthumously published *Study of Thomas Hardy* and his statement that every work of art adheres to some system of morality But it must contain the essential criticism on the morality to which it adheres this book examines the ways in which Lawrence presents his ideas in his major novels *The Rainbow* and *Women in Love* It explores how this concept plays a crucial role in his fiction as an other to the implied author s messages functioning differently as equivocation and creative strife respectively in *The Rainbow* and *Women in Love* the concept helps to make these novels more dynamic than commonly realized *Women in Love* D. commanding artist from Dresden Gerald enraged by Loerke and most of all by Gudrun's verbal abuse and rejection of his manhood and driven by his own internal violence tries to strangle Gudrun Before he has killed her however he realises that this is not what he wants and he leaves Gudrun and Loerke and climbs the mountain eventually slips into a snowy valley where he falls asleep and freezes to death The impact of Gerald's death upon Birkin is profound The novel ends a few weeks after Gerald's death with Birkin trying to explain to Ursula that he needs Gerald as he needs her for the perfect relationship with a woman and Gerald for the perfect relationship with a man David Herbert Richards D H Lawrence 11 September 1885 2 March 1930 was an English novelist poet playwright essayist literary critic and painter His collected works represent among other things an extended reflection upon the dehumanising effects of modernity and industrialisation Some of the issues Lawrence explores are emotional health vitality spontaneity and instinct Lawrence's opinions earned him many enemies and he endured official persecution censorship and misrepresentation of his creative work throughout the second half of his life much of which he spent in a voluntary exile which he called his savage pilgrimage At the time of his death his public reputation was that of a pornographer who had wasted his considerable talents E M Forster in an obituary notice challenged this widely held view describing him as The greatest imaginative novelist of our generation Later the Cambridge critic F R Leavis championed both his artistic integrity and his moral seriousness placing much of Lawrence's fiction within the canonical great tradition of the English novel
