Women Photographers From Julia Margaret Cameron To Cindy Sherman:

Women Photographers Boris Friedewald, 2018-10-02 This thorough and accessible introduction to the greatest women photographers from the 19th century to today features the most important works of 55 artists along with in depth biographical and critical assessments Since the inception of photography as an art form nearly 200 years ago women have played an important role in the development of the genre often pushing boundaries and defying social convention This comprehensive volume features 55 of the most important women photographers Each artist is profiled in spreads featuring splendid reproductions of key works and an in depth overview of her career and contributions to the art of photography Biographical information and a contextual essay focusing on the impact of women in the history of the medium makes this an excellent illustrated reference

A History of Women Photographers Naomi Rosenblum, 1994 In a work of staggering beauty and immense learning Rosenblum presents a comprehensive history of women's accomplishments in photography around the world and throughout the entire history of the medium from the mid 1800s to the present She explores the work of some 240 photographers from Anna Atkins Julia Margaret Cameron and Frances Benjamin Johnston to Tina Modotti Lisette Model Margaret Bourke White Louise Dahl Wolfe Susan Meiselas and Cindy Sherman Includes 263 photographs 30 in color Extensive bibliography Annotation copyright by Book News Inc Portland OR

The Domestic Interior and the Self in Contemporary Photography Jane Simon, 2023-09-18 By carefully conceptualising the domestic in relation to the self and the photographic this book offers a unique contribution to both photography theory and criticism and life narrative studies Jane Simon brings together two critical practices into a new conversation arguing that artists who harness domestic photography can advance a more expansive understanding of the autobiographical Exploring the idea that self representation need not equate to self portraiture or involve the human form artists from around the globe are examined including Rinko Kawauchi Catherine Opie Dayanita Singh Moyra Davey and Elina Brotherus who maintain a personal gaze at domestic detail By treating the representation of interiors domestic objects and the very practice of photographic seeing and framing as autobiographical gestures this book reframes the relationship between interiors and exteriors public and private and insists on the importance of domestic interiors to understandings of the self and photography The book will be of interest to scholars working in photographic history and theory art history and visual studies

The Gender of Photography Nicole Hudgins, 2020-09-02 It would be unthinkable now to omit early female pioneers from any survey of photography's history in the Western world Yet for many years the gendered language of American British and French photographic literature made it appear that women's interactions with early photography did not count as significant contributions Using French and English photo journals cartoons art criticism novels and early career guides aimed at women this volume will show why and how early photographic clubs journals exhibitions and studios insisted on masculine values and authority and how Victorian women engaged with photography despite that dominant trend Focusing on the period before 1890 when women were yet to

develop the self assurance that would lead to broader recognition of the value of their work this study probes the mechanisms by which exclusion took place and explores how women practiced photography anyway both as amateurs and professionals Challenging the marginalization of women s work in the early history of photography this is essential reading for students and scholars of photography history and gender studies
